I. INTRODUCTION
This handbook is designed to give parents some brief descriptions and information to let you know what to expect this season with your child’s participation. Please keep in mind that there will be other activities and events that may not be covered in this packet.

Our main goal and function of the Norchester Red Knights is to provide the best possible football and cheerleading learning environment. We seek excellence in coaching and training to allow each child to reach their greatest potential.

The Norchester Red Knights organization is entirely volunteer-run and as such, the participation of all parents and guardians is required to make the experience for our kids a success.

GENERAL NRK EXPECTATIONS FOR PARENTS
1. Keep the coaches informed of any concerns you have related to your child’s health.
2. You must have payment to register.
3. You must electronically agree (online) to or physically sign the consent forms.
4. You must supply your child’s original birth certificate when going for a Bert Bell ID card.
5. You must have, prior to any practice, a current physical completed by private physician and returned no later than August 1.
6. You must provide current insurance information and update if changes occur.
7. You are expected to volunteer a minimum of 4 hours per registered Tackle player/cheerleader and 3 hours per registered Flag player/cheerleader during the season. We need your support to create an environment that enables your child to play football or cheer. If volunteer hours are not performed, understand that your child may be prohibited from participating.
8. You must assist in cleaning up of field after all games and practices.
9. A large number of people are needed to help the program run smoothly. Each parent is asked to volunteer a portion of his or her time during the season to help make the program run efficiently.
10. NRK is a Drug-Free /Alcohol-Free / Tobacco-Free Organization.
11. You may not bring my pets to practice or games for sanitation and safety reasons.
12. You understand that the Norchester Red Knights Coaches and Board of Directors has final determination of whether a child is fit and safely capable to participate at a practice, game or other event.
13. You are expected to provide prompt transportation to and from all games/scrimmages for your child.
14. Communicate with Coach about any scheduling conflicts for Practices or Games, as soon as they are known. Children missing from practices and especially games can cause considerable planning problems for all children and coaches involved.
15. Ensure your child has all required equipment and uniform at each practice and game.
16. You agree to return the uniform issued to your child at the end of the season in the same state in which it was issued and will clean the equipment before doing so. If you do not return this equipment or it is no longer in working order due to negligence, you must pay $300.
17. There will be no refunds of registration money after August 1.
18. Regarding the Equipment and Uniform items provided by Norchester Red Knights
   a. You are accepting financially responsibility for the equipment and gear provided by Norchester Red Knights Parent Organization for the use of your child, and all parents must provide a Bond Check or
provide $150 to be held in escrow by NRKPO until the equipment is returned to an NRKPO representative. Additionally, a $100 bond check is required for your volunteer responsibilities.

c. You understand that the equipment must be returned during the designated equipment turn in for the squad your child participated.

d. NorChester Red Knights will cash the equipment Bond check one week after the designated Equipment turn in, if we do not have all of your equipment.
e. Depending upon the value of the equipment not returned, the organization may proceed with collections for the full value of the equipment.

**Behavior of My Child**

1. “I understand that as the Parent/Guardian I am responsible for the Behavior of my Child on and off the Field, and if determined by my Child’s Coaches, behavioral issues are dangerous or violates the CODE CONDUCT RULES FOR FOOTBALL PLAYERS AND CHEERLEADERS, I will be required to be with my child, on the field at every practice and on the sidelines at every game, assisting the Coaching Squad to manage my child’s behavior.

2. This requirement may be modified via a written and signed plan, agreed upon by the Coach, Football/Cheer Director, Executive Board Member and Parent.

3. I understand, I and/or any surrogates that will be assisting in managing my child’s behavior at practices, games or other NRK events will be required to complete a League prescribed Background check, and receive a passing response to obtain a League ID Card, prior to being allowed on the practice or game fields.

4. If there are known behavioral issues, I may begin this process voluntarily prior to the Practice season begins and obtain the required clearances and ID to limit disruption to my child’s participation in practice.

5. These Clearances are required by the Norchester Red Knights Parent Organization and the Bert Bell Youth conference, so I, or my surrogate, may be in the Practice and Game or Performance areas with my child (Gyms, Fields or Sidelines).

**NRK Parent Handbook - Parent Behavior**

1. Parents and visitors at practices and games must stay in designated areas reserved for the spectators.

   Sideline areas on game day and the practice fields are off limits unless the parent has been asked to be involved in some aspect of the practice or game.

2. Parents are encouraged to cheer for their teams from the stands with enthusiasm but should never yell obscenities or derogatory remarks aimed at the opponents or conduct themselves in an offensive manner.

   As a result of such action, a team can be penalized for unsportsmanlike conduct and the fan may be removed from the grounds.

3. If you are a vocal parent, cheer good plays made by either team. Understand that unsportsmanlike misconduct such as taunting, the use of foul & abusive language, or fighting is grounds for ejection from a game, and you will be asked to remove yourself from the area.

4. Repeated offenses, or seriousness of offense, as determined by the Board of Directors, may result in suspension from the field of play in your next scheduled game, and additional offenses could result in your expulsion from attending Norchester Red Knights games and practices for the remainder of the season/year.

5. Parents should always maintain a cooperative attitude towards coaches, participants, officials and board members. Remember, all are volunteers.
II. GENERAL INFORMATION
PRACTICE UNIFORMS & EQUIPMENT

Flag Football Players
They should arrive in practice pants or shorts depending on the weather and a T-shirt that is not too loose and can be tucked in and with a colored mouthpiece (not clear). Cleats (molder rubber) are a nice to have.

Tackle Football Players
The equipment manager will assign a date and time to hand out equipment. This is usually done approximately one week after practice begins. The equipment will consist of shoulder pads, helmet, and game day jersey, but the jersey may be withheld until the first pep rally.

Football parents are required to provide cleats, chin strap, mouthpiece (not clear), athletic supporter and cup, football pants with pads, practice pants, practice jersey, tape, socks and t-shirt.

Cheerleaders
Cheerleaders are expected to wear appropriate clothing to practice based on the weather. Please do not wear jeans or other pants with rivets or zippers, no strapless or spaghetti strap shirts or short-shorts. Clothing should not be baggy. No jewelry of any kind including post earrings, watches, friendship bracelets, hard plastic headbands, jeweled bobby pins etc. are permitted. Cheerleaders will not be permitted to practice or participate in games or practices if they are not wearing appropriate sneakers. They do not have to be their game day cheer sneakers, but must be closed tow and with good tread.

GAME UNIFORMS & EQUIPMENT

Flag Football Players
Norchester Red Knights will provide your child with flags, a game jersey and game pants. Uniforms and equipment are to be returned clean after the last scheduled game. You will need to provide mouthpiece (not clear) and sneakers or cleats (molded rubber).

Tackle Football Players
Game uniforms are handed out approximately 1-2 weeks before the first scheduled game or scrimmage. The football uniform will consist of jersey and game pants, as well as additional equipment listed above under practice uniform for Tackle Football Players. Please bring all pieces of the uniform to every game. If a child is missing equipment or uniform pieces they may not be permitted to participate. All uniforms and equipment are to be returned clean after the last scheduled game. **Failure to return equipment will result in a fine of $300, in addition to the value of the equipment.** You will be notified of the equipment turn-in date.

Cheerleaders
Cheerleaders are provided bodysuit, socks, bloomers and a competition hair bow. They will be provided a cheerleading uniform, in addition to other pieces listed above. Always bring all pieces of a uniform to every game in case the weather changes, which happens often in the fall. In the event of cold weather, please dress your child in black tights or leggings. They may wear a Norchester sweatshirt or jacket if the
bodysuit is not warm enough. Cheerleaders are not permitted to wear face paint or makeup at competition.

For Flag Squad cheerleaders, white leather sneakers or “bobos” can be purchased at whatever store is convenient.

All parents of Tackle Squad cheerleaders will be required to purchase cheer sneakers. Cheerleading uniforms are to be returned clean after the last scheduled game. Failure to return equipment will result in a fine of $300, in addition to the value of the equipment. You will be notified of the uniform turn-in date.
PRACTICES
We will be announcing the location and exact dates of practices prior to the start of the season. Location has yet been determined by the OJR School District. Days and times may be changed based upon field assignments.

NOTE: Your child will not be permitted to practice without a valid physical.
All players and cheerleaders are expected to arrive on time for every game and practice dressed appropriately and ready to begin. Practices begin promptly and start with warm-up and stretching exercises designed to prepare the children for the activities and prevent injury. If you are going to be late or miss a practice, please notify your coach.

For cheerleading, if you miss the weekly halftime practice before a game you may not be permitted to participate in that weekend’s halftime. The routine and stunts are practiced that last practice night and the safety of the entire team is considered in making this decision. If too many games and/or practices are missed, a cheerleader may not be allowed to participate in the cheerleading competition at the end of the season.
More information on the competition will be discussed at the Parent’s Meeting at the beginning of the season.
All children should be picked up promptly at the end of practice. If anyone other than the parents or guardian of a child is to pick up a child, please notify your coach in advance.

Tackle Cheerleaders
During the month of August, the intent is to have two evening weekday practices from 6-8pm. Once school starts, practice will remain two weekday evenings from 6-8pm.

INCLEMENT WEATHER
We will make every attempt to call off practices as early as possible in the event of inclement weather. Football practices may be held in the rain. Practices will be cancelled/postponed if there is thunder and/or lightening. We will continue to monitor practice once it has begun in case inclement weather is approaching. The nurse or assigned board member keeps on their person a lightening/thunder indicator. Practice is called off once the indicator signals an alarm within 10-12 miles. If bad weather has been predicted, please make sure that either you or someone else is available to pick your child up in case practice is cancelled once it has begun.
GAMES
Games are usually on Saturday and occasionally on Friday evening or Sunday afternoon.
You can locate the game schedule on the website at http://www.NorchesterRedKnights.com. This
website will be updated often so please refer to it for all information. If you do not have a computer or
internet access, please speak with your son/daughter’s coach to make arrangements to receive
information.
You are expected to arrive at the time designated by your coach, typically an hour to an hour and fifteen
minutes before the game time for warm-ups and practices.
Home games are typically played at the Connie Batdorf Park field on Route 100 (across from Rita’s
Water Ice, Dunkin Donuts and Bravo Pizza).
For away games, all football teams and cheer squads travel to other conference team locations, usually
in Chester County and sometimes in Delaware County. Directions to away games may be found on Bert
Bell Memorial Conference’s website at http://www.bertbell.org/Locations.asp.
MEDICAL CONCERNS
We are very diligent in making sure that all children are provided medical care when needed. Volunteer assistants will be at every practice and game to attend to any injuries. Any medical concerns with your child should be addressed prior to leaving practice with their coach. Please discuss with your child that if they ever experience a concern/injury that it is expected that they go to the coaches.

- Make sure that your child brings a water bottle with their name on it.
- Check your child’s nails to make sure that they are clipped short. (Nails do get ripped off during practices/games.)

PHYSICAL EXAM REQUIREMENT
All children are required to have a physical exam completed by a physician before practicing with the team or squad. This is done at the expense of the parent/guardian. Physicals must be returned to the Football Director/Cheer Director no later than August 1. Your child will not be permitted to practice or play/cheer in games without a physical.

BIRTH CERTIFICATE & LEAGUE PHOTO ID CARDS
Bert Bell requires that all Tackle Football Players and Tackle Cheerleaders obtain a League Photo ID Card. This card is good for four seasons. You will be required to present your child’s ORIGINAL Birth Certificate at the time of photos. Information about the date for photo ID’s will be communicated out as soon as we know them.

NOTE: Your child will not be able to participate in a regular scheduled game without the League Photo ID Card.
The head coach from each team/squad will retain all League ID Cards for his or her team/squad.

SAFETY
For everyone’s safety no drills, hitting or stunting should be performed without your coaches’ supervision at any time.
Cheerleading stunts include but are not limited to cartwheels, handstands, lifts and tosses. We believe in safety first with cheerleading stunting and do not take this lightly. We will not allow girls to attempt stunts beyond their skill sets. Anyone caught performing stunts without supervision may be prohibited from participating in a practice or a game. Please contact the Cheerleading Director for more information or any concerns you have.

TEAM & SQUAD SIZE INFORMATION
League age is determined by the league we belong too. (Currently August 1st)
ROSTERS
Once the roster “freezes” (typically the second week in September), a player may not be switched to any other team even if it is within their weight class.

PLAYOFF GAMES
At the end of the regular season, the Bert Bell Memorial Football Conference will develop playoff game brackets for the teams that qualify in each division. Teams continue in the playoffs to the Division Championship Game in mid-November or until eliminated.

CHEERLEADING COMPETITION
Every November, our cheerleading squads are invited to participate in the Bert Bell Conference Cheerleading Competition. Each squad prepares an exciting routine combining cheers, music, dance, stunt, tumbling and crowd participation.
Tackle Squads compete against other conference squads in their age, skill level and squad size division.
Flag Squad participation is optional, but encouraged! The Flag Squad routine is for an exhibition performance, meaning they do not compete with other flag squads for placement.

TEAM PICTURES
We have a professional photographer come and take individual and team photos for purchase. No one is required to order pictures, but all players and cheerleaders should be available for taking the team picture. Pay attention to our website at http://NorchesterRedKnights.com for more details.

THE CAFFREY AWARD & THE SPIRIT AWARD
There are two awards given yearly to individual participants:

· The Caffrey Award: Given to a football player that shows a great love for the game by displaying sportsmanship and desire to achieve, even if he may not demonstrate the most superior football skills
· The Spirit Award: Given to a cheerleader who demonstrates “true spirit” even if she may not demonstrate the most superior cheerleading skills.
III. ORGANIZATION INFORMATION
MANDATORY PARENT VOLUNTEERING
The Norchester Red Knights is an entirely volunteer-run organization — that means you help run it! We require that parents actively be involved with the program or with their team.
During the season, each family must volunteer at least:
· A minimum of 4 hours per registered Tackle Football Player and Tackle Cheerleader
· A minimum of 3 hours per registered Flag Football Player and Tackle Cheerleader
We highly recommend that you help more if you can.
There are many different fun ways to volunteer your assistance! We are in constant need of people to help with:
· Team/Squad Parent
· Concession Stand
· Team Apparel Store
· Game Announcers
· "Chain Gang" (assistants to the linesman)
· Pre-Game Line Crew (night before home games)
· Game Day Set-up (morning of home games)
· Post-Game Tear Down (after home games)
· Homecoming Event Committee
· Fundraiser Event Committees
· End-of-Season Awards Ceremony Committee
· Business Sponsorships Committee
We operate our Concession Stand and Team Apparel Store as a convenience to the spectators, but also as a major source of funds for the organization.

Schedules will be sent out to the organization for you to sign up. We do this through SignUp Genius and your time is noted.
Note that for game day scheduling, we recommend you take a shift for the time slot before your child’s game so you do not miss them playing. You will have to be there anyway to bring the kids for warm-ups so it’s a great way to get your service in and not miss any of the fun.
PLEASE NOTE: Again, this organization cannot survive without your involvement. Your kids will not have to be able to play football or cheer if you don’t do your part. Therefore if you do not meet your minimum mandatory volunteer requirements, your child will not play until you make up your time or we cash your check.
**FUNDRAISING**
To fund our operational budget and keep registration costs as low as possible, we require all families to participate in one mandatory fundraiser. We will also have several other fundraising opportunities throughout the year and we ask that you participate as much as possible. Our Fundraising Director will keep us informed in regards to fundraising activities.

**SPONSORSHIP PROGRAM**
As with any successful non-profit organization, we are dependent on having adequate funds to operate and service the program. Some of the costs of running our organization include equipment and uniforms, practice equipment, field light rental and field upkeep. Please consider supporting our non-profit organization by signing up now for one or more of the Sponsorship Programs available. By sponsoring, you continue to help us purchase the best equipment and provide the best environment for our players and cheerleaders. See our External Vice President or visit our website at [http://NorchesterRedKnights.com/sponsorships/](http://NorchesterRedKnights.com/sponsorships/) for more details.

**KICK OFF**
At the start of every season, the Norchester Red Knights hosts a Kick Off to get us geared up for the upcoming season. This is one of the most popular events for our players and families. Details about the kickoff will be posted online.

**HOMECOMING**
Homecoming will take place at one of our home games. During Homecoming, parents are invited to walk their child onto the field prior to the game when their name is announced. It is a fun day to recognize the dedication and hard work of our Norchester families. Other activities occur on this day to make it special for you and your child.

**END-OF-SEASON AWARDS CEREMONY**
Norchester Red Knights holds an annual Awards Ceremony at the end of each season. All football players and cheerleaders will be recognized. The winners for the prestigious Caffrey Award and the Spirit Award will be announced, as well as the 5-Year Award recipients.

**GENERAL BOARD MEETINGS**
Board meetings are typically held the second Sunday of every month. The meetings begin promptly at 6:00pm at the Connie Batdorf Park field (across from Rita’s Water Ice, Dunkin Donuts and Bravo Pizza). If the meeting location changes, it will be announced our website. **ALL PARENTS are encouraged to attend.** This is a great way to know what is going on behind the scenes and what changes are being proposed. If you have any questions or concerns, this is a great opportunity for your issues to be discussed and for you to get further involved!
