DON'T FORGET TO REMEMBER PSALM 78:6-7

Intro: Use verse chord progression Bm/G/D/A

Bm

God is good, yeah He's good all the time

And it just can't hurt to take some time

To remind yourself, you've got to remind yourself

That every good thing comes from above

Sent from your Heavenly Father with love

And that's the truth - Yeah, that's the truth!

So don't forget to remember

Don't forget to remember

He is faithful, He is true

And He's always there for you

So don't forget to remember
