| CT | The Struggle | A weekly TV program, a project of The Middle East Crisis Committee (MECC), a group of activists in the struggle for peace and justice that have been fighting for the rights of Palestinians and oppressed people of the Middle East since the 1982 invasion of Lebanon. We campaign for boycotts and divestment from Israel and are especially concerned with U.S. unions and their ownership of Israel bonds. We are currently calling on state governments, unions, institutional investors, and others to divest their funds from the state of Israel. We are avid supporters of Palestinian Rights and oppose the current blockade of Gaza. MECC is also a 501c3 Non-profit organization. We appreciate and accept donations.
