CO-OPERATIVE GROUP

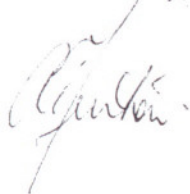

Dear Chris,

Thank you for your letter dated 29 May 2007 following your recent meeting with Simon Gibbs.

The Board believe that shareholders play an important role in the company and we welcome your comments as we do comments from our other Transactor and Investor Shareholders. Your letter will be shared with the other Directors for discussion at our next Board meeting. The Board places great importance on shareholder participation at Annual Shareholder Meetings, and identification with the company's strategy and goals as we seek to maximise value and returns to Growers and investors alike.

Thank you for your interest in the company. I look forward to meeting up with you once again when you are next in the Bay of Plenty

Yours sincerely,

Andrew Fenton
