

# Email Marketing

We collect an email address from every customer who places a SnackBar order. We send them high quality, beautifully designed emails that drive your most valuable customers back to your bowling center.

## **Why does SnackBar email marketing WORK?**

We use the world leader in email deliverability to send targeted “smart emails” which identifies the unique tastes of each customer so every message is personalized on an individual level. Best of all its completely automatic so you don’t have to lift a finger.

\*\*Already have an email list but want to use SnackBar’s email marketing service? No problem its free!
