

Margret's Kids

Once again the St. Mark's congregation
is invited to share warm clothes with Margret's Kids,

These students at Lynbrook Elementary School across the street.

(This project is named after Margret Feigel, who especially cherished these kids).

This year the item needed is warm jackets, all sizes including small sizes 6 and 8.

We are looking for new and slightly used in excellent condition jackets

Thank you! Specially labeled donation boxes will be in the narthex for the first
three Sundays in October... October 4, October 11, and October 18.
