

ANTICIPATION! The Small Catechism of Martin Luther

At the recommendation of the Reformation 500 Committee, St. Mark's has purchased an anniversary edition of Luther's Small Catechism for each household in the congregation. Distribution began at services in Lent and copies are still available for pick-up on the round table in the narthex. **One per household, please.**

Our study of the catechism began in Lent and will continue at Sunday services until Reformation Sunday on October 29. Please note that this is the same translation as appears in the back of our hymnal, pp. 1160ff.

We invite you to read the message inside the front cover from our presiding bishop, complete the presentation page—Presented to [your name(s)], by [St. Mark's], on [October 31, 2017]—and read "How to Use This Book," beginning on p. 6, just to get started.

May this little volume help us to grow together in the faith, strengthen our prayer life, and make us truly grateful, every day, for God's gift of grace.
