

Lutherans at Greenspring Worship

Lutherans at Greenspring worship meet the 2nd Wednesday of every month at 1:30 PM, followed by fellowship time in the chapel lobby.

The various Lutheran churches represented at Greenspring take turns leading the worship. The largest group in Greenspring is from St. Mark's, but there are people from Peace, St. John's, and Lord of Life as well; there are also a few who are not attending any church now but attend the Greenspring Chapel every Sunday.

This is a ministry where Lutherans can come to work together for the well being of their members and the glory of God. We want to be a community of Lutherans who meet regularly for worship and fellowship. As the Gospel of Matthew states: *"For where two or three gather in my name, there am I with them."*
