

Lynbrook Elementary School Needs

Lynbrook ES participated again this year in the **Kids R 1st**, a free school supply program that their Social Worker, Claudia McDowell coordinated. Through this program, the students were provided most of the things on the school supply list.

Other current needs are:

- Glue sticks and tissues—they also are in **great** need of Lysol (or any brand) wipes.
- St. Mark's Giant food shoppers—Please consider supporting Lynbrook School by registering your Giant bonus cards as Lynbrook being the “A+ Bonus Bucks” recipient. Their website is found at https://giantfood.com/school-rewards/?_requestid=169075
Lynbrook school number: 02074
- Their school Health Room is in need of boys and girls clothing—age 4-12—underwear, socks, athletic shorts, and sweatpants for use when kids have accidents.
- Boxtops for Education—The small Boxtops are found on General Mills products and an array of other products to include toilet tissue, copy paper, office supplies, and more. Please place them in the Boxtops collection box in the Narthex in front of the Bulletin Board.

Beginning in October: Lynbrook is in need of Mentors and Tutors.

- Mentors meet with students during their 30-minute lunch times. For more information, please contact the coordinator, school counselor, Stacey Coleman, 703-866-2974 or scoleman@fcps.edu.
- Tutors meet after school on Tuesdays with students for one hour. For more information, please contact the librarian, Julie Brannan, 703-866-2958 or jbrannan@fcps.edu.

THANK YOU!!!
