

## 2018 Pledge Forms

Some have expressed confusion with the pledge form mailed to you with the recent stewardship letter. Documenting your pledge of financial giving to the church for 2018 helps the Finance Committee gain confidence that committed and consistent giving will support their budget for the operating income for the coming year.

Thank you to those who have already returned your pledge form. If you haven't returned your pledge, please either mail it to the church at:

St. Mark's Lutheran Church, 5800 Backlick Road, Springfield, VA 22105, or place it in the offering plate. We will have a special presentation of pledges during the services on **Sunday, December 3<sup>rd</sup>**.

If you have misplaced your pledge form, we will have additional copies in the narthex, or we can mail or email you one upon request. Please contact the church office or Bob Akers ([Akersfam@verizon.net](mailto:Akersfam@verizon.net)). Thank you for your generous stewardship of God's resources.
