

## **Military Packages Thank You!**

You all really outdid yourselves for our end-of-January recipients ... thank you very much!

Here is the thank you we received from that group:

*I can't begin to express how thankful we all are for the wonderful care packages you have sent us. The brownies were AMAZING! We loved every bit of the care packages and every box we opened was just even more of a reason for us to smile today.*

*We sincerely appreciate those who support us and what we do. Especially while being deployed and being away from our families.*

*Your church has made a lot of us Airmen smile today. God is great and he has blessed us through you all.*

*"Give thanks to the Lord. For he is good. His love endures forever." -Psalm 107:1*

You can see the wonderful effect our packages have on our deployed service members!
