

Thankoffering Collection

A sincere thank you to St. Mark's members who contributed to the Thankoffering Collection on February 25th. Altogether \$1,698 was collected to support the work of Churchwide Women of the ELCA.

Thankofferings are the primary source of funding for the ministry of Churchwide WELCA and are used to provide resources, activities and events, publications (like *Gather* Magazine and *Interchange/Intercambio* as well as two online magazines, *Bold Connections* and *Café*), communication tools, staffing, and governance (like the Conference of Presidents that Cheryl Dwyer attended recently).

Again, THANK YOU!
