

KELSEY PIPER

GRAPHIC DESIGNER & ILLUSTRATOR

OBJECTIVE

To obtain a graphic design position as well as extend my current skill set and experience in the graphic design field while working at your company.

PERSONAL QUALITIES

Great with the general public. Easy to communicate with and understand. Detail-oriented self-starter with a great eye for design and logical placement. Excellent written and oral communication skills including proofreading and editing. Skilled in fine arts and techniques. Proficient in computer software and graphics. Highly creative ideas and concepts. Excellent at prioritizing and staying focused on tasks at hand as well as multitasking multiple duties. Can work well independently or in a group. Extreme passion for design and other creative outlets. Great at planning and organizing tasks and information. High determination for work to be done by or before deadlines. Great sense of time management. Profound amount of pride, drive, and enjoyment for the field and work being produced.
