**22nd Vancouver Geotechnical Society Symposium
Friday, June 13, 2014 – The Vancouver Marriott Pinnacle**

Foreshore Engineering

Dear corporate sponsors and exhibitors,

The Vancouver Geotechnical Society (VGS) invites you to promote your business, both as a corporate sponsor and an exhibitor of your products and services, at the 22nd Vancouver Geotechnical Society Symposium on the topic of Foreshore Engineering on June 13, 2014 in Vancouver.

The Symposium will feature a trade show hall where you can network with attendees and promote your products and services related to geotechnical engineering. All meals and breaks will be in the trade show hall to maximize interactions with the participants. We expect about 150 participants ranging from geotechnical practitioners, industry representatives, academics, and students.

We have opportunities for corporate sponsorship of the symposium at the Gold, Silver and Bronze levels. This is a great way to show your support of the VGS and help us continue providing professional development activities to the local geotechnical community.

The attached registration form and information sheet provide the details and benefits for Exhibitors and Sponsors. Please reserve early to avoid any disappointment. Please contact the undersigned if you have any questions or require more information.

Regards,

Marc C. Bossé
VGS Symposium Chair
