**23rd Vancouver Geotechnical Society
Symposium**

Soil Structure Interaction

Friday, June 12, 2015

Vancouver Marriott Pinnacle, 1128 West Hastings, Vancouver, B.C.

The 23rd Symposium of the Vancouver Geotechnical Society (VGS) will take place on Friday, June 12, 2015 and focus on the topic of Soil Structure Interaction. Registration information and the abstracts received will be posted to the website and emailed to the membership by April 1.

Program:

- Keynote addresses by:
 - Professor Ahmed Elgamal of the University of California (San Diego) presenting on “Large-Scale Physical and Computational Simulation of Soil-Structure Systems”;
 - Professor Richard J. Bathurst of Queen’s-RMC presenting the 2014 Giroud Lecture on “Challenges and recent progress in the analysis, design and modelling of geosynthetic soil walls”;
- Panel discussion related to the Symposium theme.
- Geotechnical suppliers trade show exhibition.
- Publication of symposium proceedings of accepted papers and presentations.
- Continental breakfast, lunch and two coffee breaks provided.
- Final program of presenters will be provided when confirmed.

Registration:

- Registration information will be available on the website by April 1.
- Regular registration fee: \$200 postmarked by May 1, 2015 and \$230 after.
- Student registration fee: \$75 postmarked by May 1, 2015 and \$100 after.
- Registration deadline: June 5, 2015. Registration after this date may be possible, however space is not guaranteed.

23rd VGS Symposium
Soil Structure Interaction

Exhibitor Opportunities:

The Symposium will feature a trade show of suppliers of geotechnical services and products. All meals and breaks will be held in the trade show area to maximize the interactions between participants and our exhibitors. Trade show booths are available and include one full symposium registration.

Sponsor Opportunities:

We have opportunities for corporate sponsorship of the symposium at the Gold, Silver and Bronze levels. New this year is the opportunity to sponsor a Keynote Speaker. Such sponsorship is a great way to show your support of the VGS and help us continue providing professional development opportunities for the local geotechnical community.

Registration forms for Exhibitors and Sponsors will be available upon request from Marc Bossé at mbosse@thurber.ca and can be found on the website.

23rd Vancouver Geotechnical Society Symposium on Soil Structure Interaction, Friday, June 12, 2015

Registration Form

Name	<input type="text"/>	
Company	<input type="text"/>	
Address	<input type="text"/>	
City, Province	<input type="text"/>	Postal Code <input type="text"/>
Telephone	<input type="text"/>	Fax <input type="text"/>
Email	<input type="text"/>	

Registration	Price
Regular - before May 1	\$ 200
Regular – after May 1	\$ 230
Student - before May 1	\$ 75
Student – after May 1	\$ 100

For company registration, please provide the primary contact information above and attach a list of registrants with the appropriate total payment.

Please make cheques payable to the *Vancouver Geotechnical Society*

All cheques and completed registration forms to be mailed to:

Chris Longley
c/o Stantec
500 – 4730 Kingsway
Burnaby, B.C. V5H 0C6

For additional information or assistance with registration, please contact:

Symposium Chair – Marc Bossé (mbosse@thurber.ca) Phone: 778-899-8055 or
VGS Treasurer – Chris Longley (chris.longley@stantec.com) Phone: 604-436-3014
