RUFUS & COOPER STUDIOS

Rufus & Cooper Studios is a custom designed professional photographic studio located in Cremorne (Richmond). It's available for casual hire, both for photographic work, as well as events and functions, and many other uses.

The hire space, including the downstairs main open area, the kitchen and hair & make-up facilities can be used as a whole, or can be separated (the open area) into two smaller spaces. Please see the attached floor plan for further details.

This light and bright space has Wi-Fi internet, cooking facilities, hair and make facilities, split system heating and cooling, and to a certain extent can be daylight controlled.

Included in the hiring of the studio are items such as Wi-Fi internet, a surround sound stereo system, poly boards and poly board stands, milk crates, moveable wall flats and clothing racks etc. Depending on the circumstances, camera stands, booms and some lighting equipment may also be made available.

Please get in contact with us if you'd like to visit our space, or to receive our hire rates and pricelist.
