FAT SHRED
BOOST | REVERB

Congratulations

on your purchase of **FAT SHUGA**, a combination drive boost and reverb pedal that delivers the essence of vintage in one compact box.

FAT SHUGA lets you adjust the amount of creamy bite you get. It lets you choose between a classic room reverb and a sweet-sounding hall. And lets you adjust the amount of reverb you apply.

The pedal is easy to set up and use. Just turn the page to get started.

Lay on the cream...

Think of **FAT SHUGA** as 2 pedals in 1 - a creamy drive boost, and a sweet-sounding reverb.

The boost function is controlled via the **ON/OFF** foot-switch and **CREAM** knob. Adjusting the knob gives you more or less cream when you hit the footswitch.

To add reverb, use the **ROOM/HALL** switch on the side of the unit to your type of reverb. Then use the **REVERB** knob to set the amount of reverb you want.

To turn the reverb off, just turn the **REVERB** knob all the way down.*

That's it! But do take some time to explore different combinations of settings. With each turn of a knob or flick of a switch, your **FAT SHUGA** opens up a whole new vintage world!

**Note that the reverb function only works when the ON/OFF footswitch is on.*

Technical Specifications

Input Impedance@1KHz	Higher than 1M Ohm
Output Impedance@1KHZ	Lower than 1K Ohm
Power supply Voltage 9V DC	Minimum 8,5V DC / Maximum 12,5V DC
Current Draw @ 9V DC	66 mA
Maximum Input signal Vp/p	3Vp/p
Battery Type / Battery Life	9V battery 6F22 / 60-120 min.
External connectors	Input Jack, Output Jack, 9V DC jack
Controls	ON/OFF footswitch, CREAM knob, REVERB mode switch, REVERB switch
Pedal size incl. knobs (W x H x D)	70 x 50 x 115 mm / 2,8 x 2 x 4,5 inch
Weight excl. battery & packaging	0,218 kg / 7,69 oz

T-REX WARRANTY CONDITIONS

T-Rex offers a 2-year warranty on all our products. In the unlikely event of a malfunction, please contact our technical support at service@t-rex-effects.com before sending us the product for repair. Read more about warranty conditions at www.t-rex-effects.com/service.

ABOUT T-REX

Based in Vejle, Denmark, T-Rex Effects makes classic and signature effect pedals for the world's best musicians. Our approach blends hi-tech innovation with old-world craftsmanship - always in the service of killer tone.

EU REGULATIONS · ENVIRONMENT PROTECTION

T-Rex accepts and follows the regulations and directives issued by the EU and North America. We find these environment protecting regulations very good, and are happy to follow them.
