# AFTER SCHOOL ART

## OVERVIEW

*After School Art Class was created to be a fun after school program for kids and youth at any skill level. These classes were created so students can get their hands on multiple art mediums with quality supplies throughout the school year. Each class is designed to teach specific techniques through beautifully crafted projects the kids will enjoy making and the parents will enjoy keeping. If you would like to see more information about the difference between the Kids After School Art Program and the Youth After School Art Program you can view that in the next section titled "Class Information".*

---

## CLASS INFORMATION

### **Art Courses for KIDS - Tuesdays & Wednesdays | 3:15-5pm**

- Ages 5-12 years old

*Tuesday and Wednesday classes are about two hours long and include all supplies and snacks. Students can come once or twice a week. Each art course is broken into one calendar month where we will be starting and finishing a project each day. If we happen to run out of time for a project, we will still continue onto the next project the following week. The next week, we will leave a little extra time at the end of the class so we can finish our project we started the week prior. Some monthly courses will be longer or shorter depending on the length of the month and any major holidays that occur. Each week we will be going over different mediums and topics.*

*This year we will be covering mediums like: Acrylic Painting, Watercolor Painting, Oil Pastels, Chalk Pastels, Clay, Drawing & Sketching, Colored Pencil, Markers, Paper Crafts, Sculpting, Crafting, Pen, and more!*

### **Art Courses for YOUTH - Thursdays | 3:15-5pm**

- Ages 12+ years old

*Thursday youth courses were created for older art students since we will be working on larger projects that take more time and patience. Some classes we will be focusing on practicing techniques that will better their skills. These days they will only have "practice sheets" and they will not look like finished products. When they aren't practicing techniques, they will be working on large projects that could take multiple weeks to finish. Unlike the kids' program, this class is meant for pushing skills and not focusing on producing a finished project every class. I want my artist to slow down, focus on the skill involved and extend their knowledge on the medium we are covering. This year we will be covering all topics and mediums we can get our hands on! We will be learning more about: Acrylics, Watercolors, Pastels, Clay, Paper Mache, Needle Felting, Pencils, Pens, Mixed Media, Felts, Fabrics, Yarn, Glass and more!*

*Last year we had a focus in Anime, this next year we will be covering as many topics and mediums the school year allows! We will be going over still life, landscapes, character design, cartoons, florals/plants, wildlife, and more! I am excited to help my young artists find their "style" and make each project their own while building a strong portfolio. We will have a new medium we are covering monthly unlike the kids program which covers new mediums weekly.*

---

## ALL SALES ARE FINAL

*All art programs are non-refundable unless Enable Art cancels a program or class due to weather, health, an emergency, or low attendance. In those cases, the client will be notified of the cancellation as soon as possible and will be offered the options of a full refund or credit for the class or classes that are canceled. Please see "[Right to Refuse Service](#)", "[Cancellations](#)" and "[Refunds & Credit](#)" for more information on these matters.*

---

## NEW STUDENTS

*Since the classes are filled by the month, Enable Art will not be allowing students to come by the day or week unless they are a new student wanting to try out a class for the first time. The new client will need to reach out to Enable Art to make sure there is space in the class before they visit. If there is space available, the client will fill out the student registration form, before class starts, and will pay a trial fee of \$25 for that day. If a new student decides they would like to join the class halfway through the month, that month will be prorated for the*

client so the student can join that class, but only if there is room available. For prorated classes the credit for one missed class still applies. This is not available for current clients and students.

---

## CREDIT FOR MISSED CLASSES

Enable Art only credits up to one day a month per After School Art student as long as they follow the policy posted under "**Cancellations**" and the client makes sure to inform Enable Art of the timed absence in the appropriate manner. This means, if the policy is followed correctly, Enable Art will credit the missed day back to the clients for them to use that credit at a later date.

Enable Art reserves the right to not credit the class even if the policy is followed, if the client has already used their one credited day for that month.

---

## PICKING UP STUDENTS AT ROGERS

If a parent would like Enable Art to pick up their student's after school at Rogers Adventist School they will need to address that when they sign up their student for After School Art. Enable Art is not liable for anything that happens to the student before the student is in their care. The student is considered in Enable Art's care once the student meet's Chloe Congleton at the front door of Rogers.

Students will be required to be out at the front door, ready to walk over to Walla Walla Valley Academy with Chloe Congleton no later than 3:10pm. If the student has not come to the front of the school in time, they will be left at Rogers and will need to go to Rogers' front desk and ask for someone to walk them over to Enable Art's classroom. Since Enable Art has students from different school districts attending the art programs it is important that Enable Art's classes start on time and Chloe Congleton is back in her classroom before 3:15pm. Clients will not receive credit back for students missing a class due to the student being late for pick up and not asking to get help to walk over to Enable Art's classroom.

---

## LATE PICK UP

Life happens and people run late to pick up their student from art class. If a client is running late and doesn't inform Enable Art they are running late, there will be a \$10 fee after 5:15pm and a \$25 fee after 5:30pm. Enable Art usually has Evening Classes and needs time after 5:00pm to clean up and prep for the next classes being offered.

# EVENING ART CLASSES

## OVERVIEW

*These classes were created to teach people of all ages, at any artistic level, how to paint or needle felt in a fun and relaxed environment. These classes are open to the wider community and are for people who are looking to stretch their creativity. We believe it's always exciting to try something new, but it's even more rewarding to walk away with artwork you are proud of calling your own!*

*Would you like to be notified when we post new classes? Follow us on [Facebook](#), [Instagram](#), or [click here](#) to subscribe via text and/or email.*

---

## EVENING ART CLASS STUDENTS

*Evening Art Classes are adult classes but children over 12 years old are allowed to come as long as parents or guardians attend class WITH them.*

*Enable Art does not mind younger children under 12 years old in classes, but the client must contact Enable Art before placing their order so Enable Art can plan ahead.*

---

## ALL SALES ARE FINAL

*All art programs are non-refundable unless Enable Art cancels a program or class due to weather, health, an emergency, or low attendance. In those cases, the client will be notified of the cancelation as soon as possible and will be offered the options of a full refund or credit for the class or classes that are canceled. Please see "[Right to Refuse Service](#)", "[Cancellations](#)" and "[Refunds & Credit](#)" for more information on these matters.*

# GOLD BRUSH MEMBERSHIP

## PERKS OF BEING A GOLD BRUSH MEMBER

*Gold Brush Members will be contacted via text, 24 hours before the public to see the early release of paint nights. GBM are able to sign up before anyone else to save their seat. They will also have access to their Digital Punch Card where they can keep track of how many classes they have left as well as access to the Early Access Portal where the discount code is listed that allows them to sign up for Evening Art Classes using their Gold Brush Membership. Members are also allowed to find images or ideas for future paint nights and share them with Enable Art. Members can also use their membership for themselves or their friends and family. If there is a class they want to come to they are able to use as many punches on the card as they would like to save a seat for themselves and a friend.*

---

## HOW IT WORKS

*The client prepays for 8 classes at a time. Instead of paying \$320 for 8 classes, the client will pay \$270 (\$50 savings). Once the client has purchased the membership, Enable Art will create a Digital Punch Card that is password protected, where the client can keep tabs on how many classes they have attended using their Gold Brush Membership. Each time they save their seat using their Gold Brush Membership, Enable Art will punch their Digital Punch Card. The client will also receive access to Enable Art's Early Access Portal.*

*The Early Access Portal is where our Evening Art Classes are posted before anywhere else. Gold Brush Members have the ability to view and save their seat at our Evening Art Classes 24 hours before the public gets access.*

*Information in the Early Access Portal explains how to use the Gold Brush Membership to save the clients seat at one of Enable Art's Evening Art Classes. Once the client saves their seat at one of Enable Art's Evening Art Classes, their Digital Punch Card will be updated within 24 hours unless the seat is saved after 12pm on a Thursday, in which case the client's Digital Punch Card may be updated the following week's first business day.*

---

## MEMBERSHIP SETUP

*When the Gold Brush Membership is purchased, Enable Art creates a Digital Punch Card for the client that allows the client to see how many more classes they can join using their Gold Brush Membership.*

*It takes 24 hours for the client's GBM Digital Punch Card to be created if the Gold Brush Membership is purchased Monday through Wednesday or before 12pm on a Thursday. If the Gold Brush Membership is purchased on a Thursday after 12pm, the client's GBM Digital Punch Card may not be created until the following weeks first business day. When the Digital Punch Card is created for the new GBM, the client will be texted with instructions on how to view their Digital Punch Card, and they will receive a link to our Early Access Portal along with the password to log-in to both pages. If the client needs to order using their Gold Brush Membership prior to receiving their Digital Punch Card and Early Access Portal information, they will need to call or text Enable Art.*

---

## ALL SALES ARE FINAL

*All Gold Brush Membership Purchases are final. Please see "**Right to Refuse Service**", "**Cancellations**" and "**Refunds & Credit**" for more information on these matters.*

# ALL SALES ARE FINAL

*All art programs are non-refundable unless Enable Art cancels a program or class due to weather, health, an emergency, or low attendance. In those cases, the client will be notified of the cancellation as soon as possible and will be offered the options of a full refund or credit for the class or classes that are canceled. Please see "**Right to Refuse Service**", "**Cancellations**" and "**Refunds & Credit**" for more information on these matters.*

# COMMUNICATION

## KIDS PROGRAMS

*Enable Art plans multiple classes for different age groups and skill levels about 4-5 times a day. This means Enable Art is seeing anywhere between 50-80+ students and clients a day. When there is poor communication it leaves Chloe waiting for students before class get's started, extra prep time for people who might not show up, and additional costs since each class needs to have supplies purchased before hand. With Enable Art programs becoming more popular and the demand rising Enable Art strives to maintain order in the classroom and making sure classes start on time. When Chloe is working in her kids programs and is unaware students are skipping class or went home sick, she has to take her focus off of her room full of students and getting class started, to trying to find client's names, phone numbers and contact information to try and track down where a child is.*

*Client must communicate with Enable Art if the student will be absent or late to class so that class can start on time. If a client decides to consistently not communicate with Enable Art about the student being absent or running late, Enable Art has the right to refuse service. Chloe is aware that there are days work runs late or something goes wrong, all we ask from our client's is to keep us informed so we can plan accordingly.*

---

## FRUSTERATIONS & QUESTIONS

*If there is a problem, question or frustration that needs to be addressed by a guardian or student, Enable Art asks that the conversation is held outside of classroom time. We ask that you call or text our business line or email us at [support@enable-art.com](mailto:support@enable-art.com) to set up this meeting.*

---

**IF A CLIENT CALLS, TEXTS OR LEAVES A MESSAGE WITH ENABLE ART DURING BUSINESS HOURS (NOT INCLUDING SOCIAL MEDIA OUTLETS), WE WILL TRY AND RESPOND WITHIN 24 HOURS OR THE NEXT BUSINESS DAY.**

# CANCELLATIONS

## OVERVIEW

*If something comes up and the student or student's guardian knows they will not be able to make it to class or camp, Enable Art will need to be notified no later than 48 hours in advance if the client would like a credit for that missed class. The client must notify Enable Art by texting or calling Enable Art's business number. If Enable Art does not answer the client's phone call, the client must leave a message giving their notification of which class they will be missing. If Enable Art is not contacted 48 hours prior to the class that would be missed, the client will not be credited back.*

---

## COVID-19 OR EMERGENCIES

*Enable Art understands that sometimes families are hit with covid at different times and could be at risk for missing class. Enable Art is also aware that family emergencies could happen at any given time. It is up to Enable Art what is credited back in these circumstances. The client/student must make sure that if they come down with COVID-19 symptoms, their family needs to quarantine, or if there is a family emergency that makes a client/student unable to come to class, the client will make sure Enable Art is aware of this cancellation as soon as possible. Enable Art is not required to refund or credit any class back due to Covid or emergencies. Any cancellation that does not follow our cancellation policy listed in our Terms of Service is not eligible to receive credit unless Enable Art sees fit. Please contact Enable Art as soon as possible to talk about class cancellations.*

---

## AFTER SCHOOL ART CANCELLATION & SICK DAY

*Please remember if you are canceling an After School Art class, student's are only allowed one class credit per one month purchase (See "After School Art terms")*

### SICK DAY

*If a student will not be attending class due to being sick, Enable Art will need to know by 9am the day of the class and be notified via phone call or text to Enable Art's business number. If Enable Art is not notified prior to 9am, the same day as the class, the client will not receive credit. If there has been a scheduled appointment and the client forgets to inform Enable Art until 9am the same day, credit will not be given since it is a scheduled appointment and not a sick day. If the student is feeling sick after 9am, the client still needs to inform Enable Art that their student will be absent that day so Enable Art's Teacher is not waiting for the student to arrive. The client would not be refunded if informed so late in the day, but good communication is still required so Enable Art can plan their classes accordingly. After School Art student's are only allowed one class credit per one month purchase (See "After School Art Terms" for more info).*

### SICK DAY CREDIT ABUSE

*If sick days are being used as an excuse to skip a class last minute and it becomes a habit, Enable Art has the right to refuse sick day credit at any time they see fit. Enable Art will warn clients they are no longer allowed "sick day credit" before it is refused to the client. The client must make sure they are not abusing this policy or they will be at risk of losing their sick day credit.*

---

## GOLD BRUSH MEMBER - CANCELLATION

### Client Cancellation

- If the client will not be able to make it to an Evening Art Class they saved a seat for, the client will need to notify Enable Art 48 hours in advance of the class start time in order to receive credit back on their Gold Brush Membership Punch Card. Unless they have canceled 48 hours in advance and followed the "Cancellation" policy, they will lose their class and will not receive a credit back on their Gold Brush Membership Punch Card. If the cancellation policy is not followed, Enable Art has the right to credit back as they see fit.*

### Enable Art Cancellation

- *If the client saves their seat using their Gold Brush Membership and the Evening Art Class is canceled due to unforeseen circumstances (as stated above) the client will be notified of the cancellation as soon as possible. As it states in our "Refunds & Credit" section, the client will receive a form to fill out so that Enable Art has documentation of how they would like Enable Art to proceed. Refunds are NOT offered to Gold Brush Members since their classes are prepaid. If Enable Art chooses to reschedule the class that is being canceled, the client will be offered the option to move to the rescheduled class, pick a new class being offered at that time or receive a punch back on their Gold Brush Member Punch Card. There may be options on the form to receive a refund but those options do not apply for the Gold Brush Membership. If the client chooses to receive a refund or to receive credit, they will receive a class back on their Gold Brush Membership punch card. If the canceled class is not rescheduled and/or they do not wish to join another art class that is being offered that month, the client will receive a punch back on their Digital Punch Card to use at a future Evening Art Class of their choice.*
- 

## CANCELLATIONS MADE BY ENABLE ART

*Enable Art may cancel a class or camp due to weather, health, an emergency, or low attendance. In those cases, the client will be notified of the cancellation as soon as possible and will be offered a refund or credit for the class, classes, or days of camp that are canceled, or (if possible) the option to move into a different class or camp being offered. For more information, see "Refunds & Credit".*

# REFUNDS & CREDIT

## REFUNDED CLASSES OR CAMPS

*All Enable Art classes and camps are non-refundable unless Enable Art cancels a class or camp due to weather, health, an emergency, or low attendance. In those cases, the client will be notified of the cancellation as soon as possible and will be offered a refund or credit for the class, classes, or days of camp that are canceled, or (if possible) the option to move into a different class or camp being offered.*

---

## WHEN A CLASS IS CANCELED BY ENABLE ART

*If weather, health, an emergency, or low attendance causes Enable Art to cancel a program or service the clients will be contacted via call, text, or email. If Enable Art is unable to reach all the clients in a timely manner due to the client unable to answer, they will be emailed a form and asked to reply before, what would be, the scheduled class date. This helps Enable Art know if the client is aware that class is canceled. If the clients miss all forms of communication by Enable Art, there will be some form of signage on the building informing clients class is canceled and to check their text, voicemail, or email (that they used when signing up for that program) if they would like more information about rescheduling or credit.*

*(Enable Art does their best to get ahold of each client in a timely manner. It is important that the client gives Enable Art the correct information so they are able to contact the client when these issues arise.)*

## HOW CLIENTS ARE INFORMED

*After the client's are informed of the canceled program, they will be asked to watch for an online form that will be sent to the client via text or email that will ask if they would like a refund or credit. The form may also have an option to move to another class or camp if applicable. They will need to fill out the form with their preferred option selected and submit it so it is documented. If client's do not have an email or access to the internet they are able to call Enable Art's business phone number and request what they would like done. Enable Art will do their best to email the client with information on their refund, credit, or class move, within 2-4 business days, but if the client needs the refund or credit sooner, they can contact Enable Art to see if it can be done sooner. It will be up to Enable Art to decide if the refund or credit can be processed quicker.*

- **RECEIVE A REFUND**

- *If the client selected to receive a refund, Enable Art will do their best to issue the client's refund within 1-3 business days from the day the form has been submitted by the client. When the refund has been submitted the client will be notified. Once the refund has been issued, it can take between 5-10 business days for the refund to show up in the clients applicable account. If they do not receive their refund in that timeframe, they will need to reach out to Enable Art. It is not Enable Art's responsibility to insure the bank processes the funds to the client's accounts. It is up to the client to insure the money is deposited.*

- **RECEIVE ENABLE ART CREDIT**

- *If the client selected to receive Enable Art Credit, Enable Art will email the client information about their credit and how to use it, within 2-4 business days from the day the form has been submitted by the client.*

- **MOVING CLASSES**

- *If the client selected to move to another class or camp that is being offered, Enable Art will email the client a confirmation of their saved seat in the class or camp they selected. If the class or camp the client is being moved to costs more than the initial class or camp the client paid for, they will not be charged extra to attend the class or camp. If the class or camp the client is being moved to costs less than the initial class or camp they paid for, they will receive Enable Art Credit in the amount of the difference.*

---

## CREDIT - ENABLE ART CLASSES AND CAMPS

*If a client is to receive Enable Art Credit, they will receive it in the form of a discount code that can be used on any of Enable Art's Products or Services.*

*This credit must be used within a year from the date it was given to the client. If the client does not use their Enable Art Credit within a year from the date they received the credit code, they will lose that credit.*

*Enable Art Credit is allowed to be shared with other people if the client so chooses. The client should inform Enable Art of the shared code so we can help make sure a credit code isn't stolen or misused. If the credit used needs to be refunded or credited again for some reason the original client that was assigned that credit will be given the credit back.*

*It is up to the client to keep track of their credited code so it is not misused or stolen.*

#### **CREDIT - GOLD BRUSH MEMBERSHIP**

*If the client will not be able to make it to an Evening Art Class they saved a seat for, the client will need to notify Enable Art 48 hours in advance of the class start time in order to receive a punch back on their Digital Punch Card. Unless they have canceled 48 hours in advance they will lose their class and will not receive a credit back on their Digital Punch Card. Enable Art has the right to credit back only if they see fit. (see "Cancellations")*

# RIGHT TO REFUSE SERVICE

*Enable Art has the right to refuse service to any client for any reason they see fit. Enable Art will not work with clients that are verbally abusive, aggressive, or unwilling to communicate in a professional manner. Enable Art will not allow clients to treat Enable Art's students, teachers, team members, studio or other Enable Art clients disrespectfully. Enable Art has zero tolerance for negative or abusive behavior. If Enable Art decides they will no longer work with a client, they will refund the remaining amount of their class or program and ask the student (and student's guardian, if applicable) to leave and not return.*

# RELEASE OF LIABILITY

## ABILITY TO ENGAGE IN ART ACTIVITIES AND ASSUMPTION OF THE RISK

*Enable Art takes all possible precautions to reduce risk and provide safe, healthy and enjoyable experiences. The client warrants that they or their child is able to follow directions for all activities in the studio/class. The client acknowledges that risks from participation in class activities exist and that the client has allowed themselves or their child to attend art class knowing these risks and their possible consequences including personal injury.*

---

## WAIVER AND RELEASE OF LIABILITY

*The client agrees that they will not hold Enable Art liable for any personal injury, property damage or loss of insurance. The client agrees to release and hold harmless Enable Art and owner, Chloe Congleton, from all liability incurred as a result of the client's or client's child's participation in the studio/class and that these terms serve as a release for the client, volunteers, property owners and members of the client's family.*

# MEDIA & PHOTO CONSENT

*The client gives permission to Enable Art to use photos taken of the client or client's child at the studio as well as photos of the student's artwork to be used for local news and marketing. The client also gives permission to Enable Art to use photos taken of the client/student and their artwork for marketing on social media, including Facebook, Instagram, and Twitter.*

*After School Art and Summer Art Camp student's have the option to not give photo consent via the Student Registration form.*

# CHILD'S SAFETY

## DROP OFF

*Please note that Enable Art will not be responsible for any child dropped off at the school and not supervised. If the client would like to insure that their child is safe, the client must make sure to walk their child into the class and drop them off while Chloe Congleton is present. Enable Art takes no responsibility for children that are dropped off early to walk into the school building by themselves. Since Enable Art's programs are held within Walla Walla Valley Academy there may be older children/adults present outside of the classroom. Enable Art's classroom will be locked until Chloe Congleton is present.*

---

## RESTROOM USAGE - YOUNG STUDENTS

*If a child needs to use the restroom they are excused from class to go down the hall and walk to the restrooms alone since Chloe teaches most of her classes by herself.*

*If a child needs help finding the bathroom the class could be left alone for a very short amount of time while Chloe helps the student find the restroom. If the student knows where the bathroom is they will usually go down the hall to the restroom by themselves or with a friend. There are times that students will be unsupervised and go to the restrooms together as a group. Walla Walla Valley Academy does have cameras in the hall so we can keep track of what is happening in the hallways but bathroom visits are not monitored by the teacher unless a child asks to be walked down to the restroom. If the client would like their child to have help in the restrooms or wishes their child goes to the restroom alone, please contact Enable Art and let them know so we can document the request.*

---

## UNSUPERVISED CLASSROOM

*The classroom will never be left unsupervised for long periods of time. The only time the teacher wouldn't be in the classroom is if someone needed help finding the drinking fountain or bathroom.*

---

SHOULD YOU HAVE ANY CONCERNS ON HOW WE MANAGE OUR CLASSROOM  
FEEL FREE TO REACH OUT AND TALK TO US.

# SNACKS AND DRINKS

## AFTER SCHOOL ART & SUMMER ART CAMP

*Enable Art offers free snacks and drinks during class. For Summer Art Camp and After School Art, clients are required to register their student using the student registration form. When the client is filling out the student registration form for allergies or snacks it is important to list anything that the client does not want their child to have. Enable Art will do the best they can with accommodating the needs of each student. If the client wishes for their student to have different snacks than the ones that are offered they are allowed to give their child snacks to bring to class which they would be allowed to eat during snack time. If a child sneaks food or eats something that wasn't offered to them and they have an allergic reaction, Enable Art is not liable.*

## EVENING ART CLASSES

*Enable Art offers free snacks and drinks during Evening Art Class to their clients. Since there is not a form asking about allergies, the client partaking in snacks and drinks are responsible for paying attention to their personal food allergies. If clients choke on what they are eating or have a bad reaction to the food or drinks, Enable Art is not liable in any way.*

## PRIVATE ART PARTIES & LESSONS

*Enable Art does not offer free snacks and drinks in Private Art Parties or lessons but is willing to work with the client if they would like that to be offered. It would be an additional price negotiated between Enable Art and the client paying for the Private Art Party or lesson. Enable Art is not required to supply any form of food or drink. Enable Art does allow the client to bring in their own snacks and non-alcoholic beverages if they so choose*

## ALCOHOL FREE ZONE

*There is no alcohol allowed at Walla Walla Valley Academy where Enable Art's programs are located. All drinks being offered are non-alcoholic and Enable Art asks their clients to be mindful of the private property and not bring alcoholic drinks of any kind..*

# CODE OF CONDUCT

*Clients and students of all ages are expected to follow the classroom rules. Clients or students that are disrespectful, rude, or aggressive will not be tolerated in class or at any Enable Art programs. Enable Art aims to have a peaceful environment where people of all ages can learn to be creative and it is important to respect the other client's and the experience they paid for. Enable Art has the right to refuse service if the client or student does not want to follow the classroom rules. Enable Art expects their clients, no matter the age, to act and talk respectfully and professionally. If there is a problem, Enable Art expects open communication where both parties are willing to listen and communicate clearly while having a mature and civil conversation. If there needs to be a longer conversation, Enable Art asks that it is scheduled outside of classroom hours. If a client is being disruptive or ruining the classroom atmosphere Enable Art has the right to excuse the client from class. If this happens the client will be fully refunded for the class and be asked not to return.*

---

## CLASSROOM RULES

1. *Be respectful to the teacher, classroom, tools and materials being used.*
2. *Be respectful to others and the artwork they create.*
3. *Be respectful to yourself and the artwork you create.*
4. *Be positive and encouraging.*

# PRIVACY POLICY

We value our client's privacy, With that being said, we only collect our clients data so we know how to contact them about a program purchased, contact them about new and upcoming classes, or to make sure we don't feed our young student's something they might be allergic to. We do not, and will not, sell, share, or use personal data for any reason other than to better our communication with our clients. If you would like to read over our privacy policy feel free to do that [HERE](#).

If you would ever like Enable Art to stop contacting you about our services and products offered please reach out and we will be happy to remove your information so you stop receiving information from Enable Art.

If you would like to ask us any other questions message us via email at [Support@enable-art.com](mailto:Support@enable-art.com) or call us at 509-593-0555.

# SITE TERMS & CONDITIONS
