

Jason Tanner's Training Experience

- Feb 2014 *Innovation Games Certified Facilitator Training (two day)*
Emphasized application of games to retrospectives, backlog management and stakeholder engagement
- Jul-Dec 2013 *Leadership Immersion Workshop for Capital One (one day)*
Facilitated 30 workshops across Capital One divisions
- Jun 2013 *Scrum Team Training for Splunk (one day)*
Co-designed tailored course for Splunk with goal of multi-team alignment to Scrum roles, activities and artifacts in the context of Splunk's business.
- Mar 2013 *Co-taught CSM class with Carlton Nettleton*
- Mar 2013 *Co-taught CSM class with Tom Mellor*
- Jan 2013 *Co-taught CSM class with Peter Saddington*
- Oct 2012 *Scrum Team Training for Capital One (two day)*
Facilitated standard introductory course to enable teams to immediately apply Scrum and supporting tools.
- Sep 2012 *Scrum Team Training for CoStar (two day)*
Based on company-wide retrospective, designed and delivered customized curriculum for CoStar to reenergize Scrum adoption and delivery.
- Sep 2012 *Co-taught CSPO class with Lowell Lindstrom*
- Sep 2012 *Co-taught CSPO class with Peter Green*
- Jun 2012 *Scrum Team Training for Best Buy (two day)*
Facilitated core introductory course (listed several times below) focused on the practical application of Scrum – activities, roles, artifacts. The curriculum leveraged multiple interactive activities starting with notional situations and content followed by content provided by attendees such as beginning to convert existing functional and non-functional requirements into a prioritized set of Product Backlog Items.
