

## MISSION

Our mission is to create **unforgettable** vacation experiences.

## VISION

Our vision is to be the **most desirable private island resort in Belize.**

## VALUES

- Adventure
- Comfort
- Sustainability
- Community
- Authenticity

### We Work as a Team

- No one person is bigger than the brand or team
- We wear many hats. Everything is everyone's job
- We celebrate success and overcome obstacles together
- We share the burdens and the rewards of service

### We Do "Whatever it Takes"

- If it is worth doing, it is worth overdoing
- The guest experience is priority number one
- Serving guests is a privilege and a passion
- We stay humble and hungry

### We Treat Guests Like Family

- We show care and compassion in all that we do
- We build trust and confidence with our guests
- We create lasting personal relationships
- We turn unfavorable situations into position experiences

### We Aim to Create "Wow"

- Our goal is to provide unforgettable experiences
- We anticipate needs and fulfill desires
- We make dreams come true
- We strive to create great stories

### We Sweat the Details

- We obsess about the guest experience
- We understand that little things matter
- This is our home and we are proud of it
- Perfect is always perfectly acceptable
