The 41th Annual Arts and Artisans Fair Raffle is kicking off again. Ten talented artists have donated a work of art worth a minimum of $50 to be raffled off. The winners will be drawn at 2:45 PM on Fair day, August 20, at the New Suncook School. You need not be present to win.

If you haven’t been to the Fair before, it is an opportunity to see some of the best artists in New England and beyond. The artists support our library by donating a percentage of their sales to the Charlotte Hobbs Library, making it a major fundraiser for the library.

The Fair also gives you an opportunity to browse a great selection of high quality books at the book sale, or visit with friends while having a homemade sandwich or dessert made by generous volunteers who support the library every year with their efforts.
