

**We are Court Appointed Special Advocates (CASA) for Children,** a volunteer-powered network of committed people—from all walks of life—who believe society has a fundamental obligation to these children. We are people just like you who believe that every child has the right to be treated with dignity, to be safe, and to thrive in the embrace of a loving family.

**With a CASA volunteer, a child is half as likely to languish in the foster care and child welfare system, and are that much more likely to find a safe, permanent home.**
