Please note that if you volunteer for C4K, your contact information, which may contain Personal Information such as your name, email address and telephone number, may be posted on the Website and/or C4K's page on social networking sites such as Facebook. Such information will remain available during the time the crutch drive is active and may be available afterwards as well.

- C. To improve your experience with the Website by remembering your information so that you will not have to re-enter it during your visit or the next time you visit the Website, and to provide custom, personalized content and information.
- D. To send you information or materials that may be important to you, such as informing you of C4K's accomplishments. This includes for non-promotional or administrative purposes such as notifying you of major Website updates, or sending you information and updates.
