Scienceletes (is that a thing?)...
really anyone and everyone!**

We want to see YOU on stage!

The KHS Winter Musical, *As You Like It*, is not *just* a high school musical... but an exciting collaboration between KHS students, professional actors from NYC and around the country, community members, and faculty and students from across the district! That's right, we're looking for athletic team members, club members... and any interested students, teachers and staff... of all ages for fun cameo roles in the production!

No performance experience? No problem. All are welcome to audition.

Bring sheet music of any song you would like to sing.

You also do NOT need to be a singer to audition.
