

BOB'S BITCHIN' BBQ

SO GOOD YOU'LL LICK YOUR NAPKIN™

THE STORY CONTINUES...

Which came first, the chicken or the egg? In our version of the story, it's the sauce of course. I opened the restaurant to promote my BBQ Sauce. Once upon a time I made an Alfredo sauce that was described as "bitchin,'" and the name was born. We now have eight signature sauce flavors that are sold in nearly 100 retail outlets throughout parts of Wisconsin, Iowa and northern Illinois. All of our sauces are available for purchase in the restaurant, and your server will gladly bag them up for you before you leave today! I started the sauce business in 2010 after working in the corporate culinary world for many years, and the first restaurant was opened a block up the street from our current location in downtown Dodgeville.

The restaurant celebrated its 9th birthday on November 1, 2021 and we moved into our current building in March 2015 on a historic site, built in 1905. It has been the home of the Hahn Billiards Hall, Ben Franklin Five and Dime, and True Value Hardware. Hundreds of thousands of guests have dined with us and we feature fresh daily hickory smoked meats featuring our dry rub and seasoning in Alto-Shaam electric smokers. All of our menu items are made from scratch in our kitchen and we're always looking for outgoing, responsible people to join our staff.

We sincerely hope you enjoy your dining experience with us here today!

BOB'S FAQs

Below are some FAQ and fun facts that we often get asked from our thousands of guests...

Q: What's the difference between pulled pork and brisket?

A. Oink. Moo.

Q. Is there really a Bob?

A. Yep.

Q. Do you still have your food truck?

A. No, I've never have had one nor is one in the plans, nor is there another brick and mortar restaurant in your town.

Q. Do you take reservations?

A. No, we operate on a first come, first served basis which works better in our fast-paced environment.

Q. Since you don't take reservations, how long will our wait be on Friday night?

A. Yes, we get asked this often. For obvious reasons, we don't know the answer.

Q. Could I get a bottle of Razzleberry?

A. Read the label slower. Razzberry. Hold the Razzle. You just realized you said it wrong too, didn't you?

7. Can I get 15 pounds of brisket this afternoon?

A. No, we require at least 48 hour notice for bulk items. We make what we think we'll use in the restaurant daily.

OUR SIGNATURE SAUCES

ORIGINAL

Our traditional hickory smoked sauce. Great on ribs, pulled pork, chicken, burgers or brisket. It's the sauce that made us famous!

BREWBBQ

Made with New Glarus Spotted Cow ale, it's the perfect compliment to pork, beef, and chicken. The beer makes it a true Wisconsin classic!

CAROLINA

It's not a traditional Carolina clear sauce, but it shares the same qualities—mustardy, vinegary—just a bit Wisconsin-ized. Great on wings!

HABANERO

Don't let the name scare you, it's not THAT hot... you'll taste the peppers, with just a hint of heat. Try it on ribs, wings, seafood, or brisket.

HONEY CHIPOTLE

The smoky chipotle pepper in this sauce is mellowed out with clover honey. It's a bit spicier than our others, but makes everything more delicious!

MANGO RED PEPPER

HFCS & Gluten Free

Sweet with a little heat. Great with wings or seafood. Take some home and try it on eggrolls—You'll say farewell to your old sweet and sour sauce!

RAZZBERRY

Yes, it tastes like raspberries. Fruity and sweet, try it on pork and chicken. If you're not a BBQ sauce fan, this one might change your mind!

RBQ

It's sweet with a little fizz! Sprecher's Root Beer is the star of this show. Great caramelized on ribs or as a dip with chicken tenders.

CARRYOUT ORDERS

An additional \$.25 charge per item will be applied on carryout orders.

Please remember that some items such as our grilled vegetables and fries are best when fresh and may lose their freshness in transit.

While we do our best to offer carryout orders, there may be times during our peak hours when we cannot handle the volume. We may ask for a phone number to call when we are beginning your order, or at times we may not be able to accept carryout orders at all due to the restaurant volume. We apologize for any inconvenience that this causes.
