

THE COMMON LIFE

The Vision, Ministries, and Ministers of St. John's Parish Church.

VISION AND VALUES

St. John's Parish is a church in the Anglican tradition; we are part of the Diocese of South Carolina, which receives its apostolic oversight through the Global South Primates of the Anglican Communion.

Our Bishop, Mark Lawrence, has given our diocese a simple and wide-ranging vision. We are to be:

Making Biblical Anglicans for a Global Age

All that we do as a parish seeks to express that vision. In particular, we aim to be a Christian community that:

DECLARES our love for God through Anglican worship

PREPARES disciples for Jesus Christ for global ministry

SHARES the healing power of the Holy Spirit

CARES for our community

Founded in 1734, our heritage goes back far beyond: through the Anglican Tradition to the early Church and the apostles of Jesus. In line with that heritage, we have committed ourselves to being a sturdy oak, rooted in Jesus Christ, firm and fruitful amid the storms that buffet our changing world.

St John's has a long and illustrious history as a beacon for the Sea Islands and the Lowcountry. With this grand legacy and privilege also comes great responsibility; a responsibility to spread the Gospel of Jesus Christ, which is still foremost in our charter.

This volume is a brief guide to the many ways in which God has led us to put our vision into practice. However, it cannot do justice to the range and depth of ministries and ministers in our parish, the true value of which is known only to God.
