Please add one additional day for route delivery. No processing Friday or Saturday.

Prices within are subject to change. Turnaround and printing schedules may be adjusted during holidays and/or lab intensive seasons. Richmond Camera's quality is guaranteed. Should you receive work with which you are unsatisfied, you may be entitled to a remake. Remake requests should be called in to customer service. Are you a professional photographer? Please visit richmondprolab.com for more information.

DIGITAL PRINTS • 2 day turnaround

For best results, we ask that you please provide the highest quality, least compressed JPEG possible (8bit, sRGB only). Submit your digital files on CD, DVD, CF/SD cards (or other digital media), through our in-store kiosk, or online at richmondcamera.com.

Prints larger than 30x40 ("large format") are \$9.00 per square foot and may have borders.

Premium Digital prints will be either color corrected or printed as-is based on the instructions you provide.

Bordered prints are Premium Pricing • Add \$5.00 to apply logo or text • Add \$2.00 for ¼" inch white borders • Add \$2.00 for specific cropping or full frame • Unlisted sizes are priced at the next size up plus \$2.00 • Add \$10.00 for proof matching • Add \$8.75 per head for minor image enhancement (blemishes, red eye, dust, etc.)

Volume Pricing applies to orders of 100 or more of the same image.

MOUNTING SERVICES • 2 day turnaround

An excellent option for printed images you wish to frame, display, or otherwise preserve, our mounting options provide you with eight different surfaces on which to have your prints mounted. Mounting services are for prints created by Richmond Camera only.

Matboard (also available in Heavyweight): a standard, archival “rag mat” board also available in a Heavyweight option (twice as thick and more resistant to warping). Available in black or white.

Foamboard: a 3/16 inch foam layer bonded between two layers of buffered, acid-free surface paper (archival). Available in black or white.

Gatorfoam®: heavy duty, extruded foam board bonded between two layers of Luxcell® wood-fiber veneer. Available in black or white.

Smooth Masonite: a tempered, wood-like, resilient hardboard panel with a smooth or simulated canvas texture.

Styrene: a durable, plastic-like, high-impact substrate not susceptible to humidity-induced warping. Available in either Standard (white or black - 0.08 inch) or Ultra (black only - 0.19 inch).

* Masonite panels can be trimmed to unlisted odd sizes for an additional 25% of original size price.

** 30x40 Smooth Masonite panels are 0.25 inch thick, whereas all other Smooth Masonite sizes are 0.125 inch thick.

* Add 25% of mounting cost to have prints centermounted.

PRINT TEXTURING; LACQUER SPRAY & BRUSH TEXTURING

3 day turnaround

Wide Weave Canvas Pebble, Irish Linen, Linen Weave, and Paintbrush textures add dimension to your mounted and unmounted prints up to 16x20. Also helps protect your prints from being scanned and reproduced without authorization. Textured prints can be mounted on any surface.

GICLÉE FINE ART PRINTS/UNSTRETCHED CANVAS • 2 day turnaround

Richmond Camera's giclée printing utilizes a high quality, 12-color process, printing ink directly onto the surface.

Watercolor Prints can be mounted on any substrate offered in our Mounting & Texturing Services section.

Unstretched Canvas Prints are coated with a water-based luster spray for durability. Canvas Prints can also be brush textured and/or mounted on Smooth Masonite board.

Because the same individual process must occur to create each Fine Art Print, this option does not have a bulk or multi-copy discount. A rush order can be placed for this product by calling customer service for details.

GALLERY WRAPS • 4 day turnaround

Each Gallery Wrap is giclée printed using a 12-color process on white, heavy, natural feeling canvas, free of brightening additives and other longevity compromising chemicals. The product is then luster sprayed for durability and stretched onto a frame with a depth of 1½ inches. Comes ready to be framed or displayed (hanging hardware is included.)

*Add \$10.00 to have lab technician apply white/black border to gallery wrap; kiosk incompatible.

SCANNING SERVICES • turnaround times vary

We offer scanning services for photographs, negatives, and slides. Our technicians check for color density, dust, and orientation on all scanning orders. Additionally, we offer several resolution options to better fit your scanning needs and budget.

Scanning Resolutions for Film Scans

Film (includes negatives, transparencies, and slides)

Standard Resolution

Approximately 5MB per file once opened. Standard resolution scans are good for sharing and making prints between 4x6 and 5x7 in size.

High Resolution

Approximately 20MB per file once opened. High Resolutions scans are good for making prints up to 8x12.

Professional Resolution

Approximately 50MB per file once opened. Professional resolutions scans make prints up 30x40. Professional resolution scans are very large files which may open slowly on some computers.

Scans from Cut Film

Film 4x5 and larger is a custom scan. Please see Custom Scanning.

# OF FRAMES	STANDARD RES	HIGH RES	PRO RES
1-19 frames	0.99 per frame	1.49	2.49
20-39	0.90	1.35	2.25

SCANNING SERVICES (continued) • turnaround times vary

Print Scanning Services

We all have cherished old photographs that have been handed down through our family. Scanning your old photographs is a fantastic way of protecting cherished family memories. Scanning also turns your photographs into a format that is easy to share and reproduce.

Our print scanning services are divided into two groups- **Prints 8x12 or Smaller & Prints Larger than 8x12 to 16x20.**

For prints 8x12 and smaller, we scan each print at 600dpi. For prints larger than 8x12, but not exceeding 16x20, we photograph each image and provide a 300dpi digital file.

# OF PRINTS	8x12 AND SMALLER	OVER 8x12 TO 16x20
1-9	5.99 per print	6.99
10-29	2.00	4.54
30-59	1.75	3.63
60-79	1.50	2.90
80-99	1.25	2.32
100+	1.00	2.00

Custom Scanning

We understand that some customers may have very specific scanning needs. If you have specific scanning resolution requirements, our custom scanning services might work best for you. By default, custom scans are 600dpi. If you require a specific dpi, please let us know when you submit the order. All custom scans will include a JPG and TIFF.

Custom Scans - \$15.00 per scan

Additional Information about Scanning

- All scanning orders have a \$5.99 minimum
- Scans are saved to a CD or DVD
- Additional copies of discs are \$5.99 per disc
- Dust removal, color correction, and orientation correction are all done by our technicians. If a scan is unacceptable, we are happy to make any corrections needed within 15 business days of completing your order
- All scans are saved as JPG in sRGB colorspace. TIFF files are available, but are charged a 100% surcharge
- Since slides are scanned in their mount, please expect some slight cropping on each slide scan
- A \$10 service fee is applied to all scanning orders that require content to be kept in a specific order
- Custom file names are available for an additional \$10 per order

Image CD/DVD Duplication & File Recovery

IMAGE CD/DVD DUPLICATION	PRICE
Files duplicated to CD	5.99 per CD
Files duplicated to DVD	8.99 per DVD

FILE RECOVERY	PRICE
File recovery to a new CD	10.00 (5.99 per additional CD)
File recovery to a new DVD	14.00 (8.99 per additional DVD)
File Recovery to USB	12.00 (7.99 per additional USB)

- Recoveries can be attempted from memory cards only
- Richmond Camera cannot guarantee file recovery
- A "recovery" is constituted by ANY file recovered- damaged or otherwise

PRINTS FROM PRINTS • 2 day turnaround

Create archival photographic copies from your original prints. Unlisted print sizes below are priced as the next size up, plus a \$2.00 custom sizing fee. Please add \$2.00 per image for full-frame images with borders or for custom cropping. You may opt to save your order to a CD for an additional \$5.99. Prints with significant texture or shine must be matte sprayed for an additional fee. (See spray pricing.) Please do not include the lockets when having direct copy prints for lockets made. For locket prints, the image must include an exact outline of the locket opening or a photocopy. If you wish to order a print size that is not proportional to your original, please specify if you would like borders (“with borders”) or not (“borderless”). Maximum size of the original print cannot exceed 16x20 inches. **No original artwork. No framed prints.**

8x10 Proof Sheet (Matte Only)	9.00

Please specify the number of frames per strip. Proof sheets are not color corrected.

Please add \$2.00 per order for ¼" white borders, full frame or custom cropping.

Unlisted sizes are priced at the next size up plus \$2.00.

We offer proof matching for an additional \$10.00 per match.

For minor image enhancements, such as blemish removal or red eye correction, please add \$8.75 per order.

Add \$5.00 to apply logo or text.

If negatives are larger than a 4x5 format, negatives will be custom scanned at \$15.00 per scan in addition to the print price.

Save your images to a disc for an additional \$5.99.

VIDEO TRANSFER SERVICES • turnaround times vary

Richmond Camera offers affordable solutions for just about every video medium, with fast turnaround times. Please add \$5.00 per tape to combine multiple tapes, DVDs, or mini-DVs to one DVD or CD. Digital video editing (inserting menu, chapters, etc.) is charged at a rate of \$100 per hour with a \$25 minimum. MPG1 CD is an editable format for home editing. DVDs hold a maximum of 2 hours.

estimated 1 week turnaround

*If reels are spliced there could be more footage therefore all quotes are approximate.

*Customers are responsible for the order and arrangement of the film. We will attempt to correct problems if we discover them (including upside down, backwards, and/or reversed footage). We reserve the right to charge an editing fee for this service.

Richmond Camera was founded in 1938 by James Bullard as the first camera shop in Richmond, Virginia. He worked his way through graduate school as a photographer, and then used his extensive knowledge of photography to build Richmond Camera on the foundations of knowledge, quality products, fair prices, and timely delivery. That philosophy lives on today in our processing lab and retail stores. We strive to provide the highest quality products and services to fit the needs of both professional and amateur photographers. Our friendly, experienced staff is highly focused on customer satisfaction. We are proud of our organization, and are consistently looking for ways to keep our customers happy. As the primary source for photographic supplies and equipment in central Virginia, Richmond Camera continues to grow using its original principles of extensive knowledge, quality products, fair prices, and timely delivery. I believe we do a remarkable job of incorporating the values of the past into the technologies of the future.

A handwritten signature in black ink that reads "Ted Bullard". The signature is written in a cursive, flowing style.

Ted Bullard
President, Richmond Camera Shop, Inc.
