

EXPERIENCE

MIT / VIDEO PRODUCER & EDITOR | *DECEMBER 2016 - CURRENT*

→ I have worked as Video Producer & Editor at Massachusetts Institute of Technology's STL Lab Case Study Initiative team. I have supported our creative director collaborating and acting as lead on the conceptualization and production of all multimedia components on three cases. The goal of this initiative is to inspire social responsibility among entrepreneurs and academics in the fields of architecture, planning, and real estate by humanizing traditional paper-based case studies for students.

AIR WORLDWIDE / SENIOR MULTIMEDIA DESIGNER | *MARCH 2012 – NOVEMBER 2016*

→ Responsible for generating all client facing multimedia content for the company including video, photo, and animation from concept to execution. Acted as project lead on all multimedia projects. Established guidelines and branding for video and photo content as well as purchasing all in-house equipment needed for production. Designed print collateral and web based projects.

FREELANCE ARTIST / PHOTOGRAPHY, FILM & VIDEO, WEB | *JUNE 2007 – CURRENT*

→ Various projects include photographing for Toole Design Group & The City of Boston on the Boston Complete Streets project. Building custom websites for clients, photographing weddings, corporate events, and building interactive 3D models that propose change to additional MBTA stations and surrounding town centers for the Tufts Urban & Environmental Planning Department.

EDUCATION

BFA, TUFTS UNIVERSITY / THE SCHOOL OF THE MUSEUM OF FINE ARTS | *2011*

Rigorous four-year program that encompassed studio and academic courses in an almost completely self-guided model. Specific areas of focus include photography, film, video, and sculpture.
