SOUTH KENSINGTON

The V&A Summer Party

Shouldn't a peony wall be mandatory at every summer fête?! [Kate Moss](#), [Dame Joan Collins](#), [Kylie Minogue](#) beamed in front of a towering and fragrant one at the V&A's swoony summer party, a gobsmackingly star-studded soiree hosted by museum chairman and Condé Nast International president [Nicholas Coleridge](#) and director [Martin Roth](#). If you weren't sidling up to the Harrods macaron tower in festive florally prints, à la the Manners sisters or Moss in her slinky kimono, you were probably in cream: [Candice Lake](#), [Edie Campbell](#), [Giancarlo Giammetti](#) looked serene in summery whites, while waitstaff in galactic get-ups circulated with light-up LED trays. Electric!
