Title or Position Available: Acupuncture Physician Wanted

Job Description or practice description: We are looking to hire an Acupuncture Physician to work in a busy established clinic in Jacksonville, FL. There are 6 treatment rooms, so there is plenty of room to grow! The physician should be knowledgeable in herbal medicine as well as acupuncture, and be willing to learn about nutrition. The skill of providing acupuncture and prescribing herbal medicine comes with practice and time. We are looking for a physician who fits our personalities of our patients, and not necessarily someone who has a lot of experience. So, students coming out of school are not a problem for us! Having some experience working in an acupuncture clinic is a bonus!
