Yoga Instructor

Advantages of working with LIFE, Inc.:

Collaborative Environment: Work in a professional environment with other practitioners from multi-disciplines, providing continuity of care and a holistic comprehensive approach for clients.

Client/Patient Referrals : We encourage you to bring in your own patients/clients. We will refer clients/patients to you through marketing, advertising, and professional web presence on the LIFE, Inc. website and social media accounts. Printed promotional materials will be sent to our referral sources.

Administrative Support: Includes answering/making calls, scheduling, professional reception, record keeping, patient collections at the time of service.

Flexibility : As an independent contractor, you can select to work part time or full time hours according to your schedule within LIFE office hours. Part time is equal to a minimum of 20 hours a week or full time is equal to 30 hours a week. You must be flexible to accommodate the needs of fertility patients undergoing IVF/IUI. Embryo transfers may fall on the weekend and may require you to be available to provide acupuncture treatments on the day of before and after the embryo transfer.

Independent Contractor Relationship: This is an independent contractor relationship. Practitioners will receive a contracted fee for service provided to each client. In a limited partnership role you would pay us a monthly rate. Limited partnership role will be discussed further with serious candidates only. LIFE, Inc. will work collaboratively with the other practitioners to ensure clients receive a holistic approach through mental health therapy and other holistic services offered at LIFE, Inc.
