Title or Position Available: Greenwood Indiana Practice for Sale

Job Description or practice description: Our clinic is for sale! We have decided to move out of state to be closer to children and grandchildren, so we are selling our practice as soon as a buyer appears. A little about the practice: Acupuncture Pain Relief Centers of Indiana, Inc. resides in a 2,000 square foot facility. We have 5 treatment rooms, 1 chiropractic treatment area, 2 large offices, 2 bathrooms, laundry/supply room, small kitchen, and reception area. We are located in a small strip with an insurance agency.

APRCI is located in Greenwood, Indiana, a suburb on the south side of Indianapolis. We are located three blocks from the Greenwood Park Mall, the largest mall on the South side. Health food stores, Fresh Thyme and Earth Fare, are within 1/2 mile from our location. There is a walking trail out front that leads to two local parks. We are located on Fry Road which has a traffic flow of 11,181 vehicles per day. Our sign is on the roadside and is highly visible.

There is another 2,000 square feet available adjacent to this office if you wish to expand. 2016 billings were \$319, 000 all generated by one acupuncturist. We are providers for the VA and I have verified that the new owner will continue as a provider. We also have an excellent reputation in the community. I am not a "miracle worker" who dazzles every patient. I just treat everyone with respect, listen to their complaints and perform basic acupuncture.

We are starting a new practice in Tennessee and have trimmed our operating days in Indiana to Monday, Tuesday and Wednesday. In those three days, we average 50 patients per week. We see an average of 5 new patients per week. We do no marketing that requires us to leave the practice.

We are open to all interested parties and will consider all offers and arrangements. We are very busy during those three days in Greenwood, so you will have the best chance of reaching me by email (drjerry@calldrjerry.com) or text me at [317-500-3595](tel:317-500-3595).
