Rm led discussion on how best to use operations surplus to improve academic success of the school.

RM made: “A motion to accept the Finance Committee recommendation to set aside $145,000 of cash amassed from operating surpluses into a Staff Retention Reserve Fund. The purpose of this Fund is to ensure the stability of the mission, programs, and ongoing operations of the Global Community Charter School by providing a source of internal funds to support our commitment to staff retention programs and programs that make GCCS a desired place to work for our staff. All spending of this Fund must be approved by formal resolution of the Board of Trustees. This Fund will be implemented and administered in concert with the other financial governance and policies of the Board and treated as a Non-Operating cash fund for day-to-day school operations and reporting purposes.” KM seconded. All in favor. Motion carried.

RM made: “A motion to authorize payment of a 2017-2018 Longevity of Service bonus from the Staff Retention Reserve Fund. We would provide staff members who reach their 5 year anniversary with GCCS during the 17-18 school year a bonus payment of $5,000 and those who reach their 3 or 4 year anniversary with GCCS during the 17-18 school year a bonus payment of $1,500. These payments, reflected in their annual employment agreement, are payable in the September 30, 2017 pay period or the pay period following their 5 year or 3 year anniversary respectively, whichever is later. For staff in roles requiring certification, the payment will not be made until they fulfill their certification requirements.” MJ seconded. All in favor. Motion carried.
RM made: “A motion to accept the Finance Committee recommendation to set aside $200,000 of cash amassed from operating surpluses into a Media Center Reserve Fund. The purpose of this Fund is to ensure the stability of the mission, programs, and ongoing operations of the Global Community Charter School by providing a source of internal funds to support our commitment to utilizing the media center and media center resources as an important and core component to the learning programs of GCCS and the success of our students and staff. All spending of this Fund must be approved by formal resolution of the Board of Trustees. This Fund will be implemented and administered in concert with the other financial governance and policies of the Board and treated as a Non-Operating cash fund for day-to-day school operations and reporting purposes.” CB seconded. All in favor. Motion carried.

RM made: “A motion to accept the Finance Committee recommendation to set aside $100,000 of cash amassed from operating surpluses into a 2017-2018 Leadership Reserve Fund. In support of the new Chief Academic Officer (CAO) we are in the process of hiring and in recognition that this person will come on board with ideas for programs that we can not anticipate, the purpose of this Fund is to ensure we have a source of internal funds to implement new, time sensitive ideas and programs that are brought forward to the Board for consideration by the new CAO and Chief Operating Officer (COO) without impacting the stability of the ongoing budget and operations of the Global Community Charter School. This will allow us to be more nimble in addressing the needs of our students at this critical time in our two year renewal period, taking advantage of the many ideas we expect our new CAO to bring. All spending of this Fund must be approved by formal resolution of the Board of Trustees at the recommendation of the CAO and COO. This Fund will be implemented and administered in concert with the other financial governance and policies of the Board and treated as a Non-Operating cash fund for day-to-day school operations and reporting purposes. Any funds remaining in this Reserve Fund will be returned as Operating cash on June 30, 2018.” MJ seconded. All in favor. Motion carried.
