

WHERE TO PARK

1026 W 34th Street Los Angeles, CA 90089 is the address to the gym, Lyon Recreation Center. You can input this address in your GPS, but USC is a very confusing place so please follow the detailed instructions and refer to the map.

DETAILED PARKING INSTRUCTIONS

1. USC's campus is only accessible through gates. Gates **1, 4 and 5** are open.
2. Once you arrive at the gate, the parking attendant will collect **\$12**. Tell the parking attendant that you want to park at **Parking Structure A (PSA)**. He or she will direct you. Please ask for a map.

AFTER YOU PARK...

3. When you exit the parking structure, you should be on McClintock Ave. Head towards 36th St. Lyon Recreation Center should be on the left when you hit 34th St.
4. If you end up walking for more than 15 mins, you are lost. Ask a kind stranger for help! Look for TechJam LA signs.

You can also street park (if you get lucky), but be vigilant of the expiring time.
