

# The WATERFRONT

winter 2017

Dear Block Island Club Friends,  
We hope this newsletter finds you all having a happy and healthy beginning to 2017! Although the Club is closed in winter, we've been busy preparing for another amazing season this coming summer. (continued inside)

As we look back at the 2016 season, we're reminded that the BIC only operates with the support and contributions of so many people — our staff and interns, parents and grandparents and, of course, past and present members. We are thankful that so many people appreciate that it truly does “take a village” to make a small non-profit like the BIC continue to be able to provide a fun, safe place for kids to learn to swim, sail, play tennis, do arts & crafts and make new friends!

In 2016 we had 200 active members, 77 of which were new members. A new aluminum dock ramp and ladder were a welcome addition. The Adult Luau and Teen Dance had fantastic turnouts and Hugh's Teen Full Moon Kayak was an exciting new addition to the summer, as was the Junior Davis Tennis Cup in July. We hosted the 33rd Annual Hal Madison Yacht race in August with proceeds going to the Mary D. Fund. The Club continued its partnership with Camp Mohegan for kids to come participate in sailing and other activities on Wednesdays throughout the summer. And once again we were thrilled to partner with the Block Island Nature Conservancy to host one of their speaker series which, this past summer, gave us Todd McLeish, who came to speak about “The American Burying Beetle” — as always, it was a well attended and informative social gathering.

For 2016, the club generated positive cash flow and remains on solid financial footing. However, we continue to rely on donations to cover all of our operating costs. 2017 will be an exciting year for the club, and we believe we will move closer to our goal of generating membership and program revenue sufficient to cover all of our operating costs.

With the addition of the six Colgate 26 keelboats this past fall, the BIC Board has strived to find a balance for this summer of continuing to serve our core members — children — while also introducing an adult sailing program and a more robust racing season. It's exciting, but it also introduces many unknowns, so we appreciate all members working with us this summer as we find the right balance for the Club.

As we look forward to our 53rd summer, there are many new things in store, so please read the newsletter in its entirety so you're up to speed on what we have planned for 2017. This past December we reached out to all our members with our Capital Campaign appeal letter which explained that the board had decided to embark on a capital campaign to fund new docks, a swimming area and updates to the Clubhouse. We are confident we will be able to fund and execute most if not all of our initiatives for the upcoming season.

We want to thank all of our members, past and present, who gave so generously to the campaign. We are so close to reaching our goal. We ask, if you have not already given, to please consider making a gift of any size to the club to help us reach our Capital Campaign goal. The Block Island Club is a 501(c)(3) not-for-profit organization, so monetary gifts are tax deductible and may also be matched by your company.

For any donation of \$1,000 or more, you may elect to have your family's name on a plaque that will be placed on the new dock — a wonderful reminder that we are only as strong as our membership base.

letter from the co-presidents, continued

To donate online you can visit our website at:  
<http://www.blockislandclub.org/donate/>

Or, you can send a check made payable to:  
The Block Island Club  
PO Box 147  
Block Island, Rhode Island 02807

Thank you for considering a donation to the Block Island Club.  
The BIC is about making memories that will last a lifetime —  
we hope your family makes some new ones this summer!

Best regards,

Stephanie Ditenhafer and Christina Elwell  
BIC Board of Governors Co-Presidents

## The Manager Is Back Again!

Dear Block Island Club Members,

I want to thank all of you, and the board of governors for once again giving me the opportunity to be your club manager for another season. Every year we realize how lucky and fortunate we are to be affiliated with such a special club on such a wonderful island. We are especially privileged to have such a supportive and grateful membership that truly appreciates all the effort that goes into creating and maintaining the Block Island Club. Together we are crafting a unique summer experience that one looks back on later in life as the best of times!

We are also fortunate to have a board of governors that realizes that fashioning incredible summer experiences for the entire family takes a lot of work, determination, and modifications. This fall and winter while everyone was resting the Block Island machine was hard at work making some changes that will make the club the envy of all.

This season we will be introducing to our sailboat fleet six Colgate 26 keel boats. This acquisition will totally transform our sailing program. These boats will allow our staff to give our juniors and adult sailors an unparalleled sailing experience. The board has also has been working on a new dock so all our members will have an easier time accessing and maintaining our boats.

We will also be offering a number of new and different events this summer. I think you all will be very impressed with the

letter from the manager, continued

changes we have made to the tennis, outdoor adventure and the arts and crafts programs.

However, the club would be an empty shell if it were not for our fantastic staff of instructors. We realize what a huge impact these outstanding young people play in the lives and memories of all our members. The board has spent countless hours putting together the best possible staff for your enjoyment this summer.

As we all run around with our busy lives over these winter months, it's always comforting to know we have many memorable moments ahead of us, with the upcoming summer months. The Block Island Club with its great staff will be ready to make sure that happens for each and every one of you. If there is anything I can ever do to make your stay at the club more enjoyable or have any questions concerning this summer's activities please be sure to get in contact with me. I look forward to seeing you all on the Block in a few months.

-Hugh Underhill

## Letter from the Waterfront Director

Greetings, members and supporters of the Block Island Club!

For those of you who don't know me, my name is Cameron, and I am proud and honored to be the newly-appointed Waterfront Director for 2017. Like many of you, my love for the island goes down through my family- back to my grandparents who moved to the island in the early '80s. As blue-water transatlantic sailors, they discovered the island, and serene Cormorant Cove in particular, on one of their many cruises and instantly fell in-love.

I, unlike many of you, did not grow-up spending time and learning to sail at the BI Club; my days on the "GSP" were based out of the 'Cove. Yet, looking straight out across the body of water that is our home (060° E-NE!), I always saw the Club as an integral part of the sailing tradition on Block Island- a place where kids and adults alike could get stoked on the sport.

It is my same love for the island, and for the sport- or the art-of sailing, that has led me to join the 'Club in this next, exciting stage. We are busy improving and expanding our one-design youth sailing program, and have already begun work on integrating our new fleet of Colgate 26 keelboats. This will allow us to create a brand-new adult sailing program, and will give us opportunities to get people of all ages and abilities out on the water- to experience the thrill of the sport safely with experienced instructors and charter captains.

letter from the waterfront director, continued

In addition, the Board of Directors have worked tirelessly to fundraise the construction of new BI Club docks. This will give us the ability to launch our entire one-design dinghy fleet without the need for dolly-ing, heavy-lifting, or potential of damage to dinghy equipment.

And with the blessing of the Board, I will be attending the annual National Sailing Programs Symposium in Austin, Texas, to network with thousands of colleagues in sailing education. This is to ensure that the programs we offer for the coming 2017 season be the most comprehensive, fun and informative they can be.

There is so much more exciting stuff happening, but I will leave it here for you all to come see it in person! I'm looking forward to meeting and seeing many of you down at the 'Club this summer.

Wishing you all a wonderful next few months, fair winds and gentle seas.

Cameron

## Look what's new for 2017!

-Thanks to the generous contributions of our members we will have a new dock this summer. The new dock will be more stable and it will allow for storage of our Optimists and 420s on the docks. This will allow our sailing classes to spend more time in the water sailing and will be easier for the kids!

-Two new chase boats--as much as the BIC Whaler has been part of the fabric of the club since the 70s, it was time to retire her to the shipyard and acquire some well needed self bailing and updated chase boats.

-New Swimming area: Can Docks will be used to create a "swimming pool" with lanes, ladders and even a basketball hoop! Adult Lap Swim will be available when classes are not in session. Please check the website for the schedule.

-New software to allow for online booking of tennis courts, paddleboards, keelboats, etc.

-Clubhouse improvements designed to create a better flow of the office space

-New Kid's Weekly Programming allows you to "one-stop shop" for your child's week based on their age/skill level.

-A new screen for indoor and outdoor movie watching.

## looks what's new for 2017, continued

-Thanks to the addition of the keelboats we will be offering Introduction to Sailing for 5-6 year olds. It is a great boat to introduce sailing to beginners.

-Adults can now learn to sail at the BIC in our keelboats! Six Colgate 26s will be available for private rentals and our sailing instructors will offer a weekly cruise and charters.

-The addition of four new paddleboards.

-New 420 sails and rigging.

-A new storage container for the keelboat equipment.

-A new trailer for getting the keelboats in and out of the water.

-A new child size arts & crafts table that will be more comfortable for our little ones. Arts & Crafts classes will be open to all age levels with different crafts available for older and younger children during every hour.

-A combo water bottle filling station/water fountain

## Check out the BIC's updated website!

We've added important events to the calendar and will continue to update it to help you plan for your summer. Be sure to look at the class schedule — it's been redesigned and new classes have been added. Also new this year, we've added more membership options. Please note that fees have increased this year. All of this important information is highlighted under the Membership heading: <http://www.blockislandclub.org/membership-type/>.

Here's a list of just some of the new and updated links:

- A Keelboat section located off the navigation bar dedicated to all the exciting news that these boats are generating. <http://www.blockislandclub.org/>

- An updated class schedule and descriptions — click here for the kids schedule: <http://www.blockislandclub.org/kids/>, or here for the adult schedule: <http://www.blockislandclub.org/kids/>

- A Fun Friday page outlining all the Fun Friday themes your children can participate in — look now so your kids come prepared! <http://www.blockislandclub.org/2017-fun-fridays/>

- A new FAQ page for any questions you may have. <http://www.blockislandclub.org/faq>

- A People Page with photos and bios of our amazing staff. <http://www.blockislandclub.org/people/>

- A list of our fleet with pictures and descriptions. <http://www.blockislandclub.org/bic-fleet/>

- A new Boat Services page that outlines the Club's offerings for boat owners. <http://www.blockislandclub.org/boat-services/>

## check out BIC's updated website, continued

- A new one-stop check out process that allows you to sign up for membership, weekly children's programs, boat services and donations — all with one click. <http://www.blockislandclub.org/registration/>

- A Sailing Progression page that will help you chart your children's sailing path. <http://www.blockislandclub.org/sailing-progression-chart/>

- A BIC merchandising section — come prepared this summer with your BIC attire. [https://www.prepsportswear.com/school/us/Rhode\\_Island/Block\\_Island/Block-Island-School-Club.aspx?schoolid=2171916](https://www.prepsportswear.com/school/us/Rhode_Island/Block_Island/Block-Island-School-Club.aspx?schoolid=2171916)

- An updated section on the BIC guidelines and policies—please make sure to familiarize your family with the Clubs policies. <http://www.blockislandclub.org/guidelines/>

You can join now for 2017! Go to [www.blockislandclub.org](http://www.blockislandclub.org)

## BIC Save the Dates

Classes Start - June 19th

Teen Bonfire - July 7

3rd Annual Family Sunset Sail - July 8

Kids Triathlon - July 12th

BIC Community Service Day-Beach Clean-Up - July 16th

Jr. Tennis Davis Cup - July 18th

BIC Adult Party -July 22nd

Teen Dance - July 28th

25 the Annual Kaufmann Cup - July 29

Jr. Tennis Tournament Finals - August 11th

34th Annual Hal Madison - Aug. 12

End of Season Party - Aug. 12th

BIC Annual meeting-open to all members - Aug. 13

Kids Olympics - Aug. 17th

# Save the Dates!

Thank You!

Thank you to the following outgoing board members for their service and dedication to the success of the Club: Jenny Trahanas who helped develop the tennis program and Kaitlin Bergan who as treasurer kept us financially sound. Erik Elwell came off the board after serving as President from 2012-2014 and then serving as Vice-President. He continues to serve this year as a non-voting member of the board managing the new dock project among other things. We truly appreciate Erik for continuing to help the Club. Finally, we want to say a special thank you to Kelley Walter for her amazing leadership and hard work as President of the Club from 2014-2016. We especially appreciate her still taking the time to answer all of our phone calls and emails!

**Thank you to all of the 2016 BIC Staff for another fabulous summer!**

Hugh Underhill, Cameron Greenlee, Connor Jones, Gus Reed, Garrett Baker, Emily Beinkampen, Zack Ely, Grace Hammar-skjold, Emery Sereno, Luke King, Andrew Morissette, Ruby Perry, Casey O'Connor and Leyland Reilly.

**Thank you to our wonderful 2016 BIC interns!**

Jillian Walter, Abigail Walter, Emma Schaeffer, Katie Cass, John Seider, Alex Wagner, Trine Jensen, Moss Smith, Alex Jones, Tilly Newell, Kate Beinkampen, Grace Reilly, Silas Rock and Emma Mistele.

# THANK YOU!

The BIC Board would like to say

-Thank you to Henry duPont & Ted Merritt for helping the BIC remain an integral part of the Thursday Night Racing Series as well as for spearheading the organization of the Annual Hal Madison Yacht Race.

-Thank you to all the families who so generously volunteered to bring lunch to our wonderful staff on each Friday of the summer! It was so popular we even added some Wednesdays! The staff looks forward to and appreciates this special weekly treat! Make sure to look for the sign-up sheet on the office board next summer!

-The 2016 Adult Luau Party was a huge success (despite the power going out!). Members enjoyed music by The Booze Beggars and cocktails from our very own BIC Board bartender, Brian Baker. Special thanks go to BIC member Kessa Schaeffer for planning this fun and well attended party. This year's party will be on July 22.

-A big thank you to Henry DuPont and Bob Greenlee for volunteering their time and purchasing the materials to build the shelving required to outfit the new BIC sailing storage trailer with over 270 square feet of additional storage space for the sails, spars, rigging and boat equipment. Bob bought 8 24" X 30" bins with snap on lids to store each of the boat's fenders, lines, and safety equipment like the horns, distress flags and life preservers. They unloaded each boat's equipment and sails, inventoried them, and stored them neatly on the trailer shelves. In addition, they built the Colgate 26 Mast Rack. The BIC appreciates the entire Keelboat Committee for all their efforts. To learn more, go to the website and click on the keelboat history link.

-Thank you to Cricket Treanor for stepping in to help us transition instructors early in the summer and also to Cameron Greenlee for coming on board to teach the 420 classes and bringing his amazing experience & temperament in teaching the kids. We are so fortunate to have him back on staff for Summer 2017.

The BIC Board Of Directors would like to extend a warm welcome to our 2016 new members! In addition, we would like to recognize our long-standing BIC members. We are so thankful and appreciative of your support and commitment to the BIC.

**In 2016 the following families marked 20 or more years as members:**

The Bergan Family  
The Kaufmann Family  
The Larkin Family  
The O'Toole Family  
The Spallone Family

**The following families celebrated 10 or more years as members in 2016:**

The Baker Family  
The Beinkampen Family  
The Berkery Family  
The Booth Family  
The Dickinson Family  
The Dowling Family  
The Driesman Family  
The Elwell Family  
The Gasner Family

The Gill and Sobel Family  
The Giroux Family  
The Hammarskjold Family  
The Heinz Family (Denny & Gail)  
The Howe and Wang Family  
The Jones Family  
The Kalb Family  
The Masiello Family  
The Merck Family  
The Merritt Family  
The Rock Family  
The Schaeffer Family  
The Seider Family  
The Sereno Family  
The Taylor Family (Norman & Adele)  
The Taylor Family (Alexander & Karen)  
The Trahanas Family  
The Treanor Family  
The Weinberg Family

4th of July Parade

# Come out and march in the 4th of July Parade with BIC!

## BIC Bulletin Board

-We are searching for an experienced Head Sailing Instructor. Please see the BIC website for the full job description or email Chris Bergan at [chris-bergan@gmail.com](mailto:chris-bergan@gmail.com) for more information.

-Have a old (still working) Laptop or Ipad? Please consider donating it to the BIC.

-The BIC would love to have more places for adults to sit on our beautiful deck. If you happen to be replacing your (gently used) outdoor wood furniture and would like to donate it to the Club, please call the office in June.

-Do you have a skill, hobby or passion that you would like to share with the BIC kids this summer? We are looking for volunteers who might want to come to the Club for one morning and teach the kids. Just for example, are you a Birder, Artist, Naturalist, Scientist, Photographer, Geologist, Yogi...if interested, please email Dana Montanez at [danaleemontanez@gmail.com](mailto:danaleemontanez@gmail.com)

-Tuesday Night Speaker Series at the BIC

We would like to start a speaker series but we need speakers! If you have any ideas for speakers or would like to volunteer to coordinate this project please send us an email at [info@blockislandclub.org](mailto:info@blockislandclub.org).

-We are actively attempting to update the club mailing list. Please send any updates to your contact information to: [info@blockislandclub.org](mailto:info@blockislandclub.org)

## BIC bulletin board, continued

-The Block Island Club encourages people to become involved with the Race Committee. No experience is necessary. Be on the BIC dock at 5:30 PM on Tuesday or Thursday (ride, watch, learn, and enjoy). You will be back at shore at sunset. This adult racing is all done in the pond, children are welcome. Questions: call Ted Merritt at 401-330-0625

-US Sailing is considering offering a Level 1 certification course at the BIC during the weekend of June 9th-12th. If you are interested in taking the course please email Cameron Greenlee at [camerongreenlee@gmail.com](mailto:camerongreenlee@gmail.com).

# Have you ever wondered about the history of the Kaufmann Cup and the Hal Madison Yacht Race?

## Kaufmann Cup

From the 1960's through the early 1990's the BIC sailing fleet consisted primarily of club owned and private Sunfish and 420's. For decades, club Sunfish races were held on Saturday mornings and 420 races on Sunday afternoons. In the mid-1980's the sailing staff decided to hold a more formal Sunfish regatta toward the end of the summer and dubbed it the "Sunfish Challenge." After a few years, the Board of Governors, seeking a suitable way to honor the service to the club

### *Carl and Ruth Kaufmann*

of Ruth and Carl Kaufmann, established the Kaufmann Cup Regatta, so the Sunfish Challenge evolved into the Kaufmann Cup. The Board commissioned an attractive permanent trophy in 1992. In 1993, the club acquired a fleet of JY 15's, and the race was sailed in those until the club began using its current fleet of Optimis and 420's. The late Ruth Kaufmann was the wife of President Emeritus and extraordinary club volunteer, Carl Kaufmann. For many years, Ruth, a former math teacher, did all the financial work for the club as bookkeeper and treasurer. At that time, the club did not have a professional accountant or bookkeeper on retainer to prepare tax returns or payroll. Ruth did it all, putting in, at peak times, about 20 hours a week as an unpaid volunteer. Every bill for lessons or memberships came from her pen, including all those reminder letters in December to members who forget to pay. Ruth undertook all of this work with warmth, patience and a sense of humor as she dealt with everyone from college student staff with short attention spans, to board members with questions, to vendors. Additionally, she was an avid BIC tennis player and, years before, crewed Thistles that she and Carl raced competitively.

## The Hal Madison Yacht Race

The Hal Madison Yacht Race traces its roots to a weekday morning at the Club in summer of 1983. Jamie Spallone, then head sailing instructor, and Tim Larkin, his assistant, were talking while sailing students were competing in a practice race during an intermediate sailing class. At the time the only local big boat race was an annual Mary D Cup Race in late August, a keel boat race to raise money for the Mary D Fund. Jamie and Tim felt that as the center of sailing on the island, the club should host a keel boat race. They quickly set to work, putting up hand made posters around town for the race they dubbed "The Block Island Club Cup," sending a press release to the Block Island Times and even going boat to boat with the club Whaler, handing out flyers about the race to visiting sailors. Remarkably, a number of families interrupted their vacations to race. Jamie and Tim borrowed a taffrail log from a local sailor to measure the course in those pre-GPS days, and Tim's dad's Mako Dangerous Dan, for a committee boat. They scrounged up some signal flags and studied the rules governing big boat starts and protest hearings. In addition to keel boats, dinghies and sail boards turned up, as the poster said "any boat may enter." A good party at the club followed, and a tradition was born. In 1984, the Board of Governors, under the leadership of then president Dan Larkin, commissioned an impressive, silver permanent trophy (that Dan ordered and picked up in New York) to be awarded the boat with the best overall corrected time in the race. The trophy was named in honor of Harold ("Hal") and Virginia Madison, founding members of the club and early supporters of the junior sailing program. Hal Madison was an early board member consummate club volunteer, always fixing or building something to improve operations. An early photograph of Hal Madison can be found on the second floor of the club building. Over the years, members of the Gaffett family, the Madisons' children and grandchildren, have presented the trophy at the post-race ceremony. Another Hal Madison tradition is the club sailing instructors serving as the race committee in most years. This gives young people the opportunity to take on a task often reserved for their elders with decades of racing and race administration experience and reflects the origins of the race.

## The BIC is Going Green!

In an effort to reduce waste on the Island, this summer we will no longer sell plastic water bottles. We will be installing a new combo water filling station and water cooler. To help offset the costs of this purchase we will be selling BIC logo water bottles. These are sturdy, reusable bottles that keep liquids cold all day.

It would help us out if you could pre-order your bottle so we have a good estimate of how many to order for this summer. The cost of one BIC water bottle is \$20. If we sell 75 water bottles this summer it will cover the entire cost of the water cooler! Please email Greta Heinz at gretaheinz@gmail.com with how many bottles you want and she will have them ready for you this summer at the Clubhouse. You can pay for your bottle at the front desk when you receive it. Thank you for considering!

## 2017 Boat Storage Rates

### Summer (for members only):

\$200 with trailer; \$150 with dolly; \$50 kayak

### Winter (for members only):

\$200 with trailer; \$150 with dolly; no winter storage allowed for kayaks

### Winter (for non-members):

\$250 with trailer; \$200 with dolly

Winterizing, shrink-wrapping, and spring preparation services available upon request. Please email [info@blockislandclub.com](mailto:info@blockislandclub.com) to learn more

## Intern at the BIC

Applications are now available on the BIC website for the 2017 summer Intern Program. Since its inception, the Intern Program has provided a valuable and rewarding experience to all of its participants and has been an essential part of the Club's success. If you will be 15 or 16 this coming summer, we ask that you read more about the Intern Program below and consider sharing your enthusiasm for the Club by applying to be an Intern!

We encourage all those eligible to visit the Club's website at [www.blockislandclub.org/jobs](http://www.blockislandclub.org/jobs) to download the application. If you have any questions about the program, please contact Chris Bergan by email at [chrisbergan@gmail.com](mailto:chrisbergan@gmail.com)

We look forward to hearing from you!

### **The Junior Intern Program**

Teens who turn 15 by June 15, 2017 are eligible to apply for the Junior Intern Program. Junior Interns ("Juniors") will assist the club manager and staff with daily duties and will support the staff in program areas (arts & crafts, sailing, swimming and tennis). Juniors may rotate through more than one program area during the summer, depending on their skills and the Club's needs. We anticipate that Juniors will work 15-20 hours per week, for 3-5 weeks during the summer. This will be determined based on the final staffing configuration, the Junior's skills and the Club's needs.

### **Requirements for Junior Interns:**

- Age 15 by June 15, 2017
- A 3-5 week commitment to the Club
- Completion of Red Cross Adult/Child First Aid w/CPR class Receipt of a completed intern application by March 15, 2017

### **The Senior Intern Program:**

Teens who turn 16 by June 15, 2017 and who worked at the Club during the 2016 summer ("junior interns" last season) are eligible to apply for this program. Senior Interns ("Seniors") will assist the club manager and staff with daily duties and will support the staff in program areas (arts & crafts, sailing, swimming, and tennis). We anticipate that Seniors will focus on one or two program areas during the summer, depending on their skills

## intern at the BIC, continued

and the Club's needs. Senior Interns will work 15-20 hours per week, for 3-5 weeks during the summer. This will be determined based on the staffing configuration, the Senior's skills and the Club's needs.

### **Requirements for Senior Interns:**

- Age 16 by June 15, 2017
- Served as a Junior Intern during the summer of 2016
- A 3-5 week commitment to the Club
- Completion of Red Cross Adult/Child First Aid w/CPR class Receipt of a completed intern application by March 15, 2017
