CHANGE OF ADDRESS?

Hello out there!

Canada Post has been returning magazines as undeliverable in all provinces as they make "improvements" to their system. Unfortunately, they don't let us know the address they assign you when they make that change. We know that whole communities are not packing up and moving, but that's how it looks. If your address is about to change, please let us know so we can update our file and continue to get your magazine to your mailbox.
