

At all masses, several Catholic Priests will be available to hear your reconciliation, using a very simple process of telling him those things you are sorry for and then receiving absolution through him. During your short time with the Priest he will assist you with a kind word and your plans for amendments and renewal. If you haven't experienced Reconciliation / Confession for a long time, then this is your opportunity. You are welcome to become a part our forgiven and forgiving community.

**Forgiveness brings the possibility of healing and a new beginning for our lives.**
