TRICARE® Maternity Care

Your choices for receiving care before, during, and after childbirth

If you are pregnant, your care before, during, and after childbirth and your associated costs are determined by your beneficiary status, how close you live to a military hospital or clinic that provides obstetric and gynecological services, and your choice of TRICARE program and provider.

MATERNITY CARE COVERAGE

TRICARE covers the following maternity care services if medically necessary:

- Obstetric visits throughout your pregnancy
- Fetal ultrasounds
- Hospitalization for labor, delivery, and postpartum care
- Anesthesia for pain management during labor and delivery
- Cesarean sections
- Management of high-risk or complicated pregnancies
- Deliveries at TRICARE-certified/authorized birthing centers
- Breast pumps, breast pump supplies, and breast-feeding counseling

TRICARE does not cover the following services:

- Fetal ultrasounds that are not medically necessary (e.g., to determine your baby’s sex) including three- and four-dimensional ultrasounds
- Services and supplies related to noncoital reproductive procedures (e.g., artificial insemination), except for certain wounded, ill, and injured service members in very limited circumstances
- Management of uterine contractions with drugs that are not approved for that use by the U.S. Food and Drug Administration (i.e., off-label use)
- Home uterine-activity monitoring and related services
- Private hospital rooms, unless a provider orders a private room for medical reasons or a semiprivate room is not available (additional exceptions may apply overseas)
- Unproven procedures (e.g., lymphocyte or paternal leukocyte immunotherapy for the treatment of recurrent miscarriages, salivary estriol test for preterm labor)
- Umbilical cord collection and storage, except for patients who undergo a covered umbilical cord blood transplant
- Non-registered nurse midwives
- Non-medical support during labor and childbirth (e.g., doulas, labor coaches)

Note: Some providers offer their patients routine ultrasound screening as part of the scope of care after 16–20 weeks of pregnancy. TRICARE does not cover routine ultrasound screening. Only medically necessary fetal ultrasounds are covered by TRICARE.

GETTING MATERNITY CARE

Your guidelines for getting care vary based on your TRICARE program option and whether you live stateside or overseas. Maternity care services may require referrals and/or prior authorizations.

TRICARE Prime Beneficiaries: If your primary care manager (PCM) is at a military hospital or clinic, you should receive maternity care at the military hospital or clinic. If maternity care is unavailable at your military hospital or clinic, your PCM will refer you to a civilian network provider for maternity care. If you have a civilian PCM, your PCM will direct your maternity care or refer you to an obstetrician. Continue to seek care from your PCM for any non-pregnancy related services. All beneficiaries, except active duty service members (ADSMs), may use the point-of-service (POS) option to self-refer to an obstetrician; however, higher out-of-pocket costs apply. If you move, and TRICARE Prime is available in your new location, you may transfer your TRICARE Prime enrollment online, by phone, or by mail. Your previous PCM and regional contractor will work with your new provider to ensure continuity of care. Prior authorization is required for

This fact sheet is not all-inclusive. For additional information, please visit www.tricare.mil.
your maternity care. Once your pregnancy is confirmed by your PCM, obtain prior authorization for your continued maternity care. Your prior authorization remains valid through the sixth week after your delivery.

**TRICARE Prime Remote (TPR) and TRICARE Prime Remote for Active Duty Family Members (TPRADFM) Beneficiaries:** If you are enrolled in TPR or TPRADFM with an assigned PCM, your PCM will direct your care. Otherwise, you may visit a TRICARE-authorized civilian provider with prior authorization from your regional contractor.

**TRICARE Standard and TRICARE Extra, TRICARE Reserve Select (TRS), and TRICARE Retired Reserve (TRR) Beneficiaries:** You may receive care from any TRICARE-authorized provider without a referral. Visits to a network provider will cost you less out of pocket and the provider will file claims on your behalf. With a non-network provider, you will pay more out of pocket and may have to file your own claims. TRICARE-authorized non-network providers may charge up to 15 percent above the TRICARE-allowable charge, and you are responsible for that amount in addition to any deductible or cost-shares.

**TRICARE Overseas Program (TOP) Prime and TOP Prime Remote Beneficiaries:** If you are a TOP Prime beneficiary, you should receive maternity care from a military hospital or clinic if your PCM is located there. If you are not located near a military hospital or clinic, or care there is unavailable, your PCM will refer you to a host nation (overseas) provider. Continue to seek care from your PCM for any non-pregnancy related services. If you are a TOP Prime Remote beneficiary, your TOP Regional Call Center will help you coordinate care. TOP Prime Remote beneficiaries in overseas areas where the appropriate standard of care is not available should contact their TOP Regional Call Center for assistance with other options. TOP Prime and TOP Prime Remote active duty family members (ADFMs) may use the POS option to self-refer to obstetricians; however, higher out-of-pocket costs apply.

**TOP Standard and Overseas TRS and TRR Beneficiaries:** You may seek care from almost any host nation provider without a referral. You should expect to pay up front for care and submit a claim with proof of payment for reimbursement. Outside the United States and U.S. territories (American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands), there may be no limit to the amount that nonparticipating non-network providers may bill, and you are responsible for paying any amount that exceeds the TRICARE-allowable charge in addition to your deductible and cost-shares. For more information, visit [www.tricare.mil/overseas](http://www.tricare.mil/overseas).

**Note:** If you live or travel in the Philippines, you are required to see a certified provider for care. Additionally, TOP Standard beneficiaries who reside in the Philippines and who seek care within designated Philippine Demonstration areas must see approved demonstration providers to ensure TRICARE coverage on day 61 and after, you must take action within the first 60 days of birth or adoption to:

1. First, register your child in the Defense Enrollment Eligibility Reporting System (DEERS) at a uniformed services identification (ID) card-issuing facility. A birth certificate, certificate of live birth from the hospital, record of adoption, or letter of placement of your child into your home by a recognized placement or adoption agency or the court is required. Visit [www.dmld.osd.mil/rls](http://www.dmld.osd.mil/rls) to find an ID card-issuing facility in your area.
2. Second, enroll your child in TRICARE Prime or TPRADFM by using the Beneficiary Web Enrollment (BWE) website at [www.dmld.osd.mil/appl/bwe](http://www.dmld.osd.mil/appl/bwe), calling your regional contractor, or submitting a TRICARE Prime Enrollment, Disenrollment, and Primary Care Manager (PCM) Change Form (DD Form 2876) to your regional contractor.

If you do not enroll your child in a TRICARE Prime option by day 61, she will be covered under TRICARE Standard and TRICARE Extra. If your child is not registered in DEERS within one year after the date of birth or adoption, your child will lose all TRICARE coverage until he or she is registered in DEERS.

**ELIGIBILITY AND ENROLLMENT FOR NEWBORNS AND NEWLY ADOPTED CHILDREN**

**TRICARE Prime, TPR, and TPRADFM Beneficiaries:** Children of ADSMs are automatically covered as TRICARE Prime or TPRADFM beneficiaries for 60 days after birth or adoption. For retirees, children are covered under TRICARE Prime for 60 days after birth or adoption as long as one other family member is enrolled in TRICARE Prime. To ensure that your child has continuous TRICARE Prime or TPRADFM coverage on day 61 and after, you must take action within the first 60 days of birth or adoption to:

- First, register your child in the Defense Enrollment Eligibility Reporting System (DEERS) at a uniformed services identification (ID) card-issuing facility. A birth certificate, certificate of live birth from the hospital, record of adoption, or letter of placement of your child into your home by a recognized placement or adoption agency or the court is required. Visit [www.dmld.osd.mil/rls](http://www.dmld.osd.mil/rls) to find an ID card-issuing facility in your area.
- Second, enroll your child in TRICARE Prime or TPRADFM by using the Beneficiary Web Enrollment (BWE) website at [www.dmld.osd.mil/appl/bwe](http://www.dmld.osd.mil/appl/bwe), calling your regional contractor, or submitting a TRICARE Prime Enrollment, Disenrollment, and Primary Care Manager (PCM) Change Form (DD Form 2876) to your regional contractor.

If you do not enroll your child in a TRICARE Prime option by day 61, she will be covered under TRICARE Standard and TRICARE Extra. If your child is not registered in DEERS within one year after the date of birth or adoption, your child will lose all TRICARE coverage until he or she is registered in DEERS.

**TOP Prime and TOP Prime Remote Beneficiaries:** Overseas, parents should first register children in DEERS and then enroll them in TOP Prime or TOP Prime Remote within 120 days of birth or adoption. You may enroll your child by calling your Global TRICARE Service Center (select option 4 from the TOP Regional Call Center menu) or submitting DD Form 2876 to the TOP contractor or your local TRICARE Service Center. BWE is not available overseas.
TRICARE Standard and TRICARE Extra and TOP
Standard Beneficiaries: If no family member is enrolled in a
TRICARE Prime option at the time of your child’s birth or
adoption, your child is automatically covered by TRICARE
Standard and TRICARE Extra or TOP Standard. You must
register your child in DEERS at a uniformed services ID
card-issuing facility. A birth certificate, certificate of live birth
from the hospital, record of adoption, or letter of placement of
your child into your home by a recognized placement or
adoption agency or the court is required. Coverage will be
continuous as long as you register your child in DEERS
within 365 days of birth or adoption.

Note: TRICARE Extra is not available overseas.

TRS and TRR Beneficiaries: Your child will be covered by
TRS or TRR if you first register your child in DEERS and then
purchase TRS or TRR. To purchase TRS or TRR, you need to
submit a Reserve Component Health Coverage Request form
(DD Form 2896-1) to your regional contractor, postmarked
within 60 days of birth or adoption. To access DD Form 2896-1,
log on to the DMDC Reserve Component Purchased TRICARE

TYA Beneficiaries: If you are an expectant mother who has
purchased TYA, your maternity care is covered for the
duration of your pregnancy as long as you remain enrolled
in TYA. However, newborn care is not covered unless your
newborn’s other parent is a sponsor or your newborn is
adopted by a sponsor.

IF YOU TAKE AN EXTENDED TRIP
If you are a TRICARE Prime beneficiary and plan to travel
for more than 30 days, you may keep your current TRICARE
Prime enrollment or transfer your enrollment if TRICARE
Prime is available in your new location. If you keep your
TRICARE Prime enrollment in your original enrolled
location, you need to coordinate with your PCM to get
referrals for nonemergency health care services received in
the location you are visiting. If you are unable to get a referral
from your PCM for nonemergency care, your care may be
covered under the POS option for higher out-of-pocket
costs. For more information about the POS option, visit
www.tricare.mil/pointofservice. To transfer your enrollment,
contact your regional contractor. Overseas, different rules
apply. Contact your TOP Regional Call Center for guidance.

If you are using TRICARE Standard and TRICARE Extra or
TOP Standard, you may get care from any TRICARE-
authorized provider (unless local country restrictions apply) in
your new location without a referral.

IF YOU LOSE TRICARE ELIGIBILITY
You may lose TRICARE eligibility, including maternity
coverage, if:
• You are an ADSM and you separate (not retire) from
the military
• Your ADSM spouse separates (not retires) from the military
• You divorce your ADSM or retired sponsor and do not qualify
for former-spouse benefits
• You are an unmarried daughter of an ADSM or retired
service member and you reach age 21 (or age 23 if enrolled
in a full-time course of study at an approved institution of
higher learning, and if the sponsor provides over 50 percent
of the financial support)
• You are disenrolled from TRS, TRR, or TYA for nonpayment
or loss of eligibility

Depending on the reason for losing eligibility, you may
qualify for continued coverage under the Transitional
Assistance Management Program, TYA, or the Continued
Health Care Benefit Program (CHCBP). TYA and CHCBP
require premium payments. If you are an ADSM who is
pregnant at the time of release from active duty, you may also
work with your service (unit personnel and military hospital
or clinic administrative channels) to determine if you are
eligible for ongoing care at a military hospital or clinic.
However, TRICARE will not pay for ongoing care with a
civilian provider.

COSTS
ADSMs and ADFMs have no costs for maternity care under
TRICARE Prime, TPR, TPRADF, TOP Prime, and TOP
Prime Remote. Other beneficiaries (including those using
TRICARE Standard, TRS, TRR, and TYA, or retirees, their
family members, and all others) have copayments and/or
cost-shares. Except for ADSMs, beneficiaries enrolled in
TRICARE Prime, TPRADF, TOP Prime, TOP Prime Remote,
and TYA Prime may use the POS option to self-refer to an
obstetrician, but will pay higher out-of-pocket costs.
For more information about the POS option, visit
www.tricare.mil/pointofservice. See the following tables for
detailed cost information. For the most up-to-date costs,
visit www.tricare.mil/costs.

Note: Maternity care for a sponsor’s TRICARE-eligible
dependent daughter is covered; however, care for the newborn
grandchild is not covered under TRICARE, unless the
newborn’s other parent is a sponsor or the newborn is adopted
by a sponsor.

Visit www.tricare.mil/maternitycare for more information.
