

Hoërskool Florida Prestige Golfdag

Did you know that people who give flowers are perceived as successful and caring and that is why we see Florrie Power as magical. University research has proven that the gifts we pick to convey our special messages say a lot about us.

So come along to our golf day, bring your flower power and enhance your business relationships by enjoying a great round of golf on our beautiful course. Fundraising through events has become vital, especially for the maintenance of the school. We know that parents endure hard times with increases in all areas of household expenditure. We ask you to come and support our school and have an enjoyable golf day at the same time. All proceeds from the event will go in support of the school.

We would love you to participate - either as a player or, if even mini-golf has you breaking into a sweat, as a sponsor! All contributions to our fundraiser are welcome and will go a long way to supporting this worthy cause. If you cannot make it on the day but would still like to contribute, why not give a donation?

We invite you to become a sponsor at our fundraising golf day. Your sponsorship will be recognised publicly in all correspondence leading up to the day. All contributions are welcome.
