

capsulates the couple's love for nature. The silver pop-up tree against a lime-green garden creates a fresh design, ideal for a younger couple. The mixture of fonts against different coloured backgrounds adds an extra whimsical touch.

Flare Paper n' Style >>

A mesh of Chinese and Western cultures, the Chinese peony painting and the Chinese character for "cloud" on the invitation symbolise luck and a happy marriage.

While the intricate background is a blissful red, the simple typography adds a hint of modernism to blend the West and East.
