Dear East Bay Community Member,

East Bay Regional Park District is conducting a [Community Needs Assessment](#) to determine the interpretive (environmental education) and recreation programs needs in your community, as well as identifying any barriers your community faces in accessing parks and programs. Your input is invaluable in helping us identify program gaps and breaking down access barriers. This survey is being sent to schools, non-profit organizations, religious organizations and other various agencies for a well-rounded representation of our community.

We would greatly appreciate your participation. Will you please take a few minutes to complete this survey? We will carefully consider your input to shape our future interpretive (environmental education) and recreation programs.

If you have any questions, feel free to contact us. Thank you for your thoughtful responses to the assessment.

Sincerely,

Jaimee Rizzotti  
Community Outreach Coordinator
