Thank you for your interest in Camp Carefree. Camp Carefree was established approximately thirty years ago and is located in Rockingham County, north of Greensboro, North Carolina. Since that time, we have provided a free, one-week, summer camp experience to children who may not have previously had the opportunity to participate in camp due to their health problems or disabilities. We also extend our camp to the siblings of these kids, as well as kids whose parents suffer from chronic diseases and disabilities. Each week is geared to children with same or similar conditions allowing the child to fellowship with others dealing with the same or similar life experiences.

Camp Carefree has an onsite medical staff, twenty-four hours a day, to provide the necessary medical care to our campers, including dispensing medications as required. Our medical staff is made up of doctors, residents, nurses and other medical professionals from area hospitals such as Wake Forest Baptist Medical Center, Duke Medical Center and UNC Hospitals. Wake Forest Baptist Medical Center, Forsyth Medical Center, Kernersville Medical Center, and Moses Cone Memorial Hospitals are all within thirty minutes of our camp should more extensive medical care become necessary during your child's stay. We also have an offsite physician who can manage minor illnesses if needed.

Our counselors are carefully screened to ensure your child is in safe and capable care during their stay with us. Our entire staff strives to make sure that all our campers enjoy the full summer camp experience while gaining some independence and making long-lasting friendships.

Your child will be able to participate in a wide range of activities such as horseback riding, ropes course, rock-wall climbing, fishing, canoeing, camping, arts and crafts, archery and swimming. The campers also participate in cookouts, campfires, hayrides and weekly dances. On Friday evenings, we hold a talent show. We make every effort to provide a well-rounded summer camp experience to each child.

**PLEASE NOTE**, Camp Carefree's number one goal is camper safety. Therefore, our organization does not tolerate any bullying and/or violence. Failure to avoid these behaviors will result in a camper being sent home immediately.

Campers are discouraged from calling home due to home sickness and they will be too busy with fun activities! We encourage campers to bring stationary to write home and we deliver them letters we receive everyday. Parents and Guardians are welcome to call the main office to check in on campers and talk to the Program Directors. In addition to this, campers are not allowed to have cell phones, so we ask that cell phones and iPads/tablets are left home.

The weekly sessions fill up quickly so we ask that you please return your application as soon as possible.

**REGISTRATION:** Campers may check in between 2 p.m. and 4 p.m. on Sunday. (Please note that we hold a staff meeting each Sunday until 2 p.m., so early arrivals may have to wait for registration to begin).

**PICK UP:** Campers **MUST** be picked up at camp by 11:00 a.m. on Saturday when the camp session ends. (Please do not be late as our staff leaves at 12:00).

**CONFIRMATION:** You will be notified upon confirmation of your applications. We look forward to receiving your application and hope to see you this summer. Please feel free to contact us if you have any questions or concerns.

*\*If camper is prone to bedwetting, please  
send sheets - not sleeping bag.*

### OPTIONAL:

camera & film • non-aerosol bug repellent • sunscreen • musical instrument • playing cards • reading material  
envelopes or postcards w / stamps • pen • comfort toy

**NOTE:** Due to the excessive number of unclaimed items at the end of each session, clothing and other articles coming to camp **MUST** be labeled with your name. Permanent marker is best. Clothes and meds left behind will not be mailed back unless camp is reimbursed for the cost of mailing.

### HOW TO GET TO CAMP CAREFREE: 275 Carefree Lane, Stokesdale, NC 27357

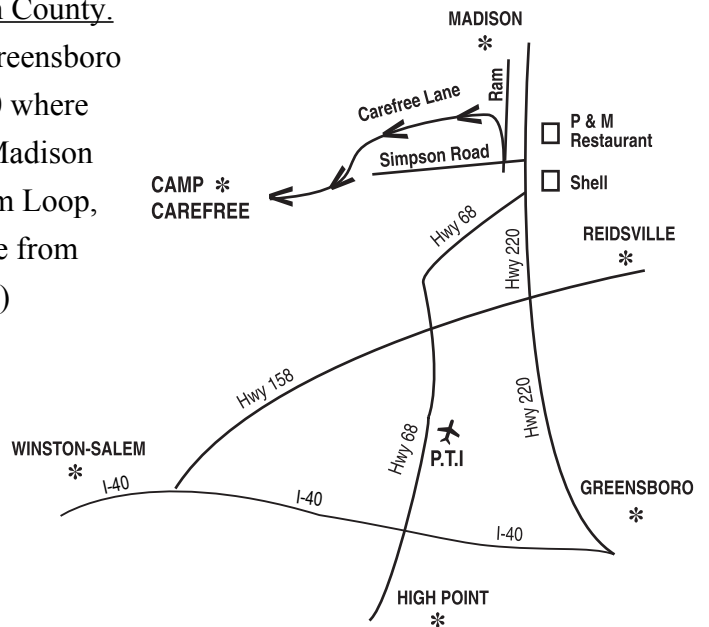

Camp Carefree is located off Hwy. 220 N in Rockingham County.

The exit from 220 N is 12.5 miles north of WalMart in Greensboro and about 1 mile north of the junction of Hwys. 68 & 220 where the highway becomes 4 lanes. It is 5 miles south of the Madison exit. Turn off 220 N on Simpson Road, then right on Ram Loop, then left on Carefree Lane. **NOTE:** The most direct route from I-40 is Hwy. 68N (not 220 which winds thru Greensboro.)
