

# FARMERS BUSINESS NETWORK<sup>SM</sup>

INCREASE YOUR FARM'S PROFITS WITH THE COMBINED INTELLIGENCE AND BUYING POWER OF THOUSANDS OF AMERICA'S MOST ELITE FARMERS.

## FARMERS HELPING FARMERS

*Farmers Business Network* is proudly *Farmers First*<sup>SM</sup>. Created by farmers for farmers, *FBN*<sup>SM</sup> is an independent farmer-to-farmer network of thousands of American farmers. The *FBN* network helps level the playing field for farmers with unbiased information, profit-enhancing farm analysis, and network buying power.

## MEMBER BENEFITS

- **FBN Seed Finder:** Real-world yield, price, and nitrogen results on +2,400 varieties.
- **Price Transparency on ag chemicals and seed:** See what farmers really pay.
- **FBN Direct:** Manufacturer-direct prices on seed, chem, fertilizer, equipment, and more.
- **Yield Benchmarking:** Compare your farm, fields, input prices, and practices.
- **Yield Potential:** Independent seed-soil matching for each of your fields.
- **Mapping:** Soil, yield, planting, application, terrain, and prescription accuracy mapping.
- **Unlimited Data:** Secure data cleaning, storage, and processing.
- **Field-Level Weather:** See complete weather histories for every field.
- **Exclusive Events:** Like Farmer2Farmer, local and regional meetups, and more.
- **FBN Finance:** Members only rates on farmland and operating loans.
- **FBN Apps:** Including *FBN Ops*, *FBN Prices*, and *FBN Seed Finder*.

## SEED FINDER

With *FBN Seed Finder* you get the largest and most advanced seed selection system in farming, with actual seed prices and performance results powered by millions of acres of real-world yields.

## FARM ANALYTICS & MAPPING

Turn your farm data into profits. *FBN* integrates and analyzes all your data with advanced analytics, benchmarking, mapping and *Price Transparency*.

## FBN Direct

Save thousands with manufacturer-direct seed, chemical, fertilizer, and equipment prices. *FBN Direct* brings competition and network buying power to your farm, negotiating directly with suppliers to pass the savings onto you.

## GRAIN MARKETING

Are you getting the best price for your crop? Follow *FBN Network Trends* for real-time crop insights, and get dynamic P&L updates so you can sell smarter.

## FINANCING

With a straightforward, low-hassle application process, qualified farmers can receive loan financing approval in as little as 48 hours so you can grow competitively.

1-YEAR PLAN	2-YEAR PLAN	BEST VALUE 5-YEAR PLAN
\$600 STANDARD PLAN	\$1,100 SAVE \$100	\$2,500 SAVE \$500

*Plus sales tax where applicable*
