# What is Financial Aid?

Financial aid is money to help pay for college or career school. Grants, work-study, loans, and scholarships help make college affordable.

# Financial Aid Is An Umbrella

Grants

- Income-based, federal, state and institutional.

Scholarships

- Merit and income-based, from public, private, and nonprofit sources.

Loans

- Income-based, federal and private.

Work Study

- Income-based, federal, state and institutional.

# Grants

A grant is gift aid that often based on financial need and does not need to be repaid (unless, for example, you withdraw from school and owe a refund).

Washington College Grant

Pell Grant

# Washington College Grant (WA Grant)

Washington State has made a groundbreaking commitment to financial aid for low- and middle-income people of all ages with the **Washington College Grant** (WA Grant). This grant gives eligible people more money for more types of education like certificate programs, job training, apprenticeships, or college.

# Washington College Grant Provides a Unique Opportunity

With the Washington College Grant (WCG), more families are eligible for financial aid than ever before.

Family Size	Full Award	Partial Award
 <b>Eligible Student</b> Family of 1	<b>Income</b> \$38,000 or less	<b>Income</b> Up to \$58,500
 <b>Eligible Student</b> Family of 4	\$73,000 or less	Up to \$112,500

Award amounts vary based on income, family size, and the school or program attended.

# Scholarships

Scholarships are gifts that don't have to be repaid and are designed to help students pay for college. They can be a one-time gift or renewable. One of the largest scholarships in WA is the Washington State Opportunity Scholarship.

You can start your scholarship search by going to [thewashboard.org](http://thewashboard.org)

# Work-Study

Work-Study provides part-time jobs for students with financial need, allowing them to earn money to help pay education expenses. These jobs are typically on campus.

# Loans

A student loan is money you borrow for your education, and pay back over time. Unlike grants or work-study you do have to pay back your loans. You do not have to accept all the loans offered to you.

## Unsubsidized Student Loans

- Interest begins accruing as soon as the loan is disbursed, including while you are enrolled in school.

## Subsidized Student Loans

- Interest is paid by while you're enrolled at least half time in college.

# Sources of Financial Aid

## Federal

Typically can be used at most schools in most states.

## State

Typically for residents to attend most colleges in the state.

## College

Offered by a specific school to attend that school.

## Organizations

Offered by non-profits, business, churches, etc.

## WASFA QUESTIONNAIRE

The Washington Application for State Financial Aid (WASFA) is for people who don't file a federal FAFSA application. People who complete a WASFA are applying for state aid. There are various reasons to complete a WASFA instead of a FAFSA:

- A person may not be eligible for federal aid due to:
  - Citizenship or immigration status, including being undocumented.
  - Defaulted federal student loans.
  - Repayments owed on federal grants.
- A person may choose not to apply for federal aid due to:
  - Family members who do not want to file the FAFSA.
  - Other personal reasons.

After you complete the WASFA, the college(s) or program(s) you choose will determine whether you meet **state residency requirements** and **state financial aid eligibility**. State financial aid could include Washington College Grant, the College Bound Scholarship, Passport to Careers, National Guard Grant, or State Work Study.

The following questions will confirm if the WASFA is the correct application for you.

### Washington Application for State Financial Aid (WASFA)

Washington State financial aid applicants should only submit one financial aid application (FAFSA or WASFA) per academic year. If you have already completed a [Free Application for Federal Student Aid \(FAFSA\)](#), you do not need to complete a WASFA.

#### PRIVACY NOTICE TO WASFA APPLICANTS

The Washington Student Achievement Council (WSAC) administers state financial aid programs, and the Washington Application for State Financial Aid or WASFA. The Council is committed to providing opportunities and support to ensure every Washington student is able to pursue education beyond high school.

A third party application servicer, Regent Education Inc., hosts the WASFA application for the state of Washington.

Regarding concerns that students, parents, and other partners may have about the confidentiality of information submitted on the WASFA, the purpose of the application is to provide eligibility information to colleges and universities in Washington that offer Washington College Grant. WSAC shares application information with campuses listed by the student so those schools may determine eligibility for resident tuition and financial aid. Regent Education Inc. and college campuses are not permitted to use the information for other purposes or share the data with other parties.
