**There will be six rooms to book privates this year. Each room will have two poles.**

### **How to book a private:**

- 1) Create a profile in MindBody Online, and purchase your Expo pass or Day pass.
- 2) Once you have decided who you would like to book a private with, please email: [support@poleexpo.com](mailto:support@poleexpo.com) with your choices. Once we have received your request, we will try to accommodate you based upon your schedule and the availability of the instructor. Once we have confirmed your private with the instructor, we will email you a confirmation and charge your credit card on file for the full amount.

### **Booking a semi-private or groups:**

If there are two or more people booking a private, one person will be the designated coordinator of the group. It will be the coordinators responsibility to collect money from everyone in the private as the private will only be charged to one account on Mindbody Online.

**You can only book 60 min privates at a time.**

**Exceptions:** if there are two instructors that you want to book back to back but want 1.5 hour with each instructor then you can book a 3hr timeslot and divide it between two instructors (this is usually ideal for semi-privates and groups but can also be done with a single private and it will depend on if the two instructors you book are both available at the time).

**We will do our best to accommodate your request. Please note that some of the instructors have limits to how many privates they want in one day (sometimes it is good to give us your 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> choices). Thank you and happy shopping! We are looking forward to seeing you at Pole Expo!**
