

FRUIT OF THE SPIRIT: FAITHFULNESS

The fruit of the Spirit is love, joy, peace, patience, kindness, goodness, **faithfulness**, gentleness and self-control. Galatians 5:22,23

▶ FAITH FOCUS

Faithfulness is refusing to quit and choosing to keep our commitments to God and others too.

Have you ever made a promise to someone that you didn't keep? Have you ever planned to do something with a friend, then changed your mind and gone somewhere else with someone else? Have you ever quit a sport because you didn't like to practice? These are examples of times when we need more faithfulness.

Is God always faithful?

God is a perfect example of faithfulness. 1 Corinthians 1:9 tells us that God is faithful. We can count on Him to be the same yesterday, today, and tomorrow. Everything we believe as Christians is based on God's faithfulness. Because He has been faithful in everything He promised, we can be certain that He will be faithful in the things that haven't happened yet—like getting to be in heaven with Him forever.

Does faithfulness need to grow in my life?

Only God is perfectly faithful. Matthew 25:21 tells us that if we are faithful with a few things, God will put us in charge of more things. He will help our faithfulness to grow when we live out our Faith Fact: I will not quit. God wants us to be faithful and never quit trusting in Him.

What does the fruit of faithfulness look like?

Faithfulness means God and others can count on us. God wants to count on us to worship and obey Him. Our parents and teachers want us to finish our homework and do our chores without quitting or complaining. We show faithfulness to others by keeping our promises. In our Bible Case File, Jesus showed us how to be faithful no matter what.
