

DESIGN CHECKLIST

Measure & Locate

Mortgage & site plans are very helpful in the design process.

foundation

porches

bed areas

decks

walkways

lampposts

driveways

utilities

patios

existing trees & plantings

other landscape features

Structure Location

Example: direction the front would face (north, south, east, west)

Soil Conditions

Sand, Clay, Loam

Preferences

Color, favorite plants, plants to avoid, special use areas (play areas, spa, etc.), theme gardens (veggies, cut flowers, etc.), landscape features (ponds, arbors, benches, retaining walls, etc.), and maintenance level (hours per week)
