

IATSE ENTERTAINMENT & EXHIBITION INDUSTRIES TRAINING TRUST FUND

FREE SAFETY TRAINING FOR MOTION PICTURE WORKERS COVERED BY THE 2015-2018 IATSE AREA STANDARDS AGREEMENT

Everybody deserves to feel safe and secure at work. When IATSE workers know the basics of workplace health and safety we can help to prevent accidents, injuries and illnesses on the job. All working people should feel confident that they will be able to go home safely at the end of the day to the people they love, and all workers are encouraged to educate themselves regarding basic on-the-job best practices.

The IATSE Training Trust Fund is excited to offer free, online, safety training for all workers covered by the 2015-2018 Area Standards Agreement. The free training consists of the General Safety Training ("A") and Environmental Safety ("A2") courses developed by Contract Services. The Training Trust Fund is working with local unions and employers signatory to the 2015-2018 Area Standards Agreement to make sure all eligible workers are able to access and take these courses.

Eligibility

These online courses are available to individuals performing work under the 2015-2018 IATSE Area Standards Agreement. You may receive flyers and applications for this program through the Training Trust Fund, your local and international union, and your employer(s). All applications need to be returned to the Training Trust Fund.

Enrollment

The first step in the enrollment process is to fill out an application and return it to the Training Trust Fund. Please allow up to three weeks for processing. Once your application is processed, you will receive an email from Safety Pass with a PIN. Once you have this, you can create your Safety Pass online account. After you create your account, you will be able to take the online safety courses described below. Click on the button that says "Instructions" for more specific information on the sign up steps.

COURSE DESCRIPTIONS

A: GENERAL SAFETY TRAINING/INJURY AND ILLNESS PREVENTION PROGRAM (IIPP)

This course explains safety orientation, employee/employer rights and responsibilities, hazard communications, use of personal protection equipment, proper lifting techniques, emergency action procedures, and general production safety procedures. The course takes an average of one hour to complete. You do not have to complete the course all at once.

A2: ENVIRONMENTAL SAFETY

This course covers a wide range of subjects, including studio lot & location safety, heat illness, severe weather, disaster/emergency response, environmental awareness, transportation of dangerous goods, electrical safety, and workplace cleanliness. The course takes an average of 3 hours to complete. You do not have to complete the course all at once.

When you take these courses, you are protecting yourself, the person working next to you, your co-workers and your family.
