YOUR WEDDING,
YOUR WAY

THE HOUSE & GARDENS

Coombe Trenchard is a setting like no other for an elegant yet relaxed wedding. The Edwardian house and gardens were designed for entertaining and are ideally suited for weddings and other special occasions.

The estate is a privately owned Arts & Crafts gem, set within beautiful parkland in rural West Devon and we are keen to preserve the sense of individuality that this lends to each occasion. As we only host a small number of weddings each year, your day will be an individual experience designed especially for you.

We would be delighted to welcome you to our house and gardens for your Wedding, Civil Partnership or your post-ceremony celebration.

GETTING READY

GETTING READY FOR YOUR BIG DAY IN A BEAUTIFUL AND RELAXING SETTING

A beautiful west facing bedroom with elegant en-suite bathroom, decorated with jugs of seasonal garden flowers, is the ideal place for you and your bridesmaids to get ready before your wedding, or simply to relax.

Enjoy a glass of bubbly before making your entrance through the minstrels gallery, down the oak staircase into the Grand Hall, towards your waiting groom and guests.

Luxury bedrooms are available within the house for your guests, when not included within your wedding package. All the double bedrooms are spacious, with large comfortable beds and quiet seating areas with views over the gardens and beyond.

Boutique hotel just 5 minutes away, and lots of good local B&B's (list supplied).

“Sarah really helped us make the most of all our ideas, and made sure things were organised to a tee so that we could completely relax and enjoy the day.”
