# CESSNA CITATION MUSTANG

If a rapid, uninterrupted trip to breathtaking landscapes is required then look no further than the Cessna Citation Mustang, which will deliver you to the most remote corners of New Zealand. With unparalleled short field performance capabilities, this aircraft's agility permits it to land on almost all sealed runways in New Zealand.

Boasting a range of 1165 nautical miles and a cruise speed of 340 knots, the Mustang is an emblem of power and speed coupled with the benefit of advanced avionics technology.

The Mustang offers passengers a comfortable cabin with four reclining leather seats, retractable workstations and multi-zone climate control.
